CURES RHEUMATISM LUMBAGO, SCIATICA NEURALGIA and KIDNEY TROUBLE

"5 DROPS" taken internally, rids the blood of the poisonous matter and acids which are the direct causes of these diseases. Applied externally it affords almost instant relief from pain, while a permanent cure is being effected by purifying the blood, dissolving the poisonous substance and removing it from the system.

DR. S. D. BLAND

Of Brewton, Ga., writes:

"I had been a sufferer for a number of years with Lumbago and Rheumatism in my arms and legs, and tried all the remedies that I could gather from medical works, and also consulted with a number of the best physicians, but found nothing that gave the relief obtained from "5-DROPS." I shall prescribe it in my practice for rheumatism and kindred diseases."

If you are suffering with Rheumatism, Neuralgia, Kidney Trouble or any kindred disease, write to us for a trial bottle of "5-DROPS," and test it yourself.

HIGH SCHOOL ORCHESTRA.

The orchestra concert which will take place June 8 at the high school building will be the musical event of the year. In giving this concert the orchestra has had two objects in view. In the first place it has taken money to equip the organization independent of the music which is furnished free by Mr. Bellis. As the orchestra is to be a permanent thing in the town, it was thought advisable to purchase the drums and double bass instead of renting them. As the orchestra has not charged for its playing, it is necessary to put a concert on in order to meet the indebtedness. The people of Birmingham have spoken many words of appreciation for the orchestra and the members feel sure that their concert will be a financial success.

In the second place the concert has given the orchestra something to work for. The music which is appropriate for a concert is necessarily more difficult than that required for ordinary playing and it has required daily conscientious practice on the part of each member to learn his part. The orchestra feels sure that the music rendered will meet the approval of the people. Among the selections will be three good overtures by standard composers. A set of Mexican Waltzes in which the weird melodies of old Spain are arranged, will no doubt please all lovers of the waltz. Other selections will be a string quinte, a medley of America's national airs and Mendelssohn's famous "War March of the Priests." The orchestra will be assisted by Miss Egler, Miss Kelley and Dr. Rainey in vocal selections. Watch for the program in the next Eccentric.

Tak Notice.

On January 1, 1905, 100,000 commercial and traveling men entered into an agreement to pay $1 each every time one of their number was injured during the year. This seemed like a good proposition, and it was; for out of that 100,000 men 5,146 met with accidents which incapacitated them for business ranging from 34 to 125 days. Some were killed.

My advice is to join this association or take a policy in the Aetna Accident & Insurance Company. Also insure your buildings in the staunch old Hartford.

VARICOCELE CURED

NO NAMES USED WITHOUT WRITTEN CONSENT.

Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on a double varicocele. When I worked hard the aching would become severe and I was often laid up for a day or a time. My family physician told me an operation was my only hope, but I dreaded it. I tried several specialists, but none could do all they wanted was my money. I commenced to look upon all doctors as a fake or little better than rogues, one day my book asked me why I was off work so much and I told him my condition. He ordered me to consult Dr. Kennedy and Dr. Kergan, and I have taken treatment from them himself and knew they were square and honorable. He wrote them and got the New Method Treatment for me. My progress was somewhat slow and during the first month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and was rewarded with a complete cure. I could only earn $2 a week in a machine shop before treatment, now I am earning $21 and never lose a day. I wish all sufferers knew of your valuable treatment."

CHEAPER FARM LANDS

Southwest Offers Best Opportunities for Securing Homes.

Many farmers in the Northern and Eastern States are selling their high-priced lands and locating in the Southwest. Many who have been unable to own their homes in the older country are buying land in the new country.

Unusual opportunities exist along the lines of the Missouri Pacific-Iron Mountain Route. The rich alluvial delta lands and river-bottom lands of Southeast Missouri, Eastern Arkansas, Louisiana and Texas, capable of producing 60 bushels of corn, a bale of cotton, 4 to 6 tons of alfalfa, 150 bushels of potatoes, and other grains, vegetables and hay crops, can be bought for $7.50 to $15 per acre. When cleared and slightly improved will rent for $4.00 to $6.00 per acre cash.

Uplands, more rolling, lighter soil, adapted to fruit growing—peaches, pears, plums, grapes, berries—also melons, tomatoes and other vegetables, can be bought for $5 to $10 per acre in unimproved state. Many places with small clearings and some improvements can be bought very cheap.

This is a fine stock country. No long winter feeding. Free range, pure water, mild climate. A healthy growing country, with a great future.

Write for map and descriptive literature on Missouri, Arkansas, Louisiana, Texas and Kansas. Very cheap rates on first and third Tuesdays of each month. Address,
