New Era Paint

Sold by the year and by the yard.

New Era Paint equals cost less to use than any other, because its high quality gives more square yards of covering surface and years of wearing service to the gallon than any other paint made.

You're wasting money when you pay a painter, say, \$40 for his labor in painting your house with low-priced paint. It costs as much to apply so-called "cheap" paint as for New Era, but New Era wears about twice as long as the cheap kind.

FRANKLIN

On Saturday last, fourteen young lads of this vicinity picked on Belle Isle, chaperoned by Mrs. W. McKinney of Birmingham and Mrs. Horace Kellogg of Walnut Lake. They took in many of the amusements with dinner on the island and supper at one of Detroit's restaurants. Some of the party stayed to the opera in the evening and the rest went to their homes, a tired but a jolly lot.

Without doubt many of our Franklin people will take in the 4th of July celebration at Pontiac. A fine program is prepared.

One of the most delightful events of the month was the meeting of the F. L. Aid Society at the home of Mrs. Elmer Higby. The house was profusely decorated with white pennants and banners for the occasion without doubt the work of Mrs. Rilla. These meetings are always pleasant and largely attended. The society will meet next month at the home of Mrs. Blanche Powers.

Hamilton Irish of Sterling, Kansas is expected soon to visit his brother, O. C. Irish, and on his return Miss Laurine Irish will accompany him to resume her studies the coming year.

Mr. and Mrs. Adolphus Steiger of Canfield Ave. Detroit were enjoying an automobile ride over hill and dale in this vicinity accompanied by a friend. While he they were the guests of G. H. German and family.

Mrs. Wm. Adams was a Pontiac visitor on Saturday last, guest of her sister, Mrs. M. B. Armstrong.

G. H. German and daughter Amy visited their brother at Norwalk lately.

The Franklin team played here last at Pontiac fair grounds on Saturday last with the first team. The score was 2 to 7 in favor of Franklin. After the game, supper at the Columbia hotel was enjoyed by all.

Mr. Slade and family will soon return to Franklin for the summer. Their many friends will be delighted to see them.

Mr. T. H. Ferguson of Detroit was the guest of her parents over Sunday.

The L. I. M. Society of the M. P. Church will meet in July at the home of Mrs. Charles Knowles, Gilbert Lake. As Mrs. Knowles is not a member of this society, the ladies extend a vote of thanks in appreciation of her kindness to them.

Just the beautiful month of roses will soon be gone and bright July will soon be here with its heated term and summer visitors. Welcome is all we have to offer and a jolly 4th for all.

CHEAPER FARM LANDS

Southwest Offers Best Opportunities for Securing Homes.

Many farmers in the Northern and Eastern States are selling their high-priced lands and locating in the Southwest. Many who have been unable to own their homes in the older country are buying land in the new country.

Unusual opportunities exist along the lines of the Missouri Pacific-Iron Mountain Route. The rich alluvial delta lands and river-bottom lands of Southeast Missouri, Eastern Arkansas, Louisiana and Texas, capable of producing 60 bushels of corn, a bale of cotton, 4 to 6 tons of alfalfa, 150 bushels of potatoes, and other grains, vegetables and hay crops, can be bought for \$7.50 to \$15 per acre. When cleared and slightly improved will rent for \$4.00 to \$6.00 per acre cash.

Uplands, more rolling, lighter soil, adapted to fruit growing—peaches, pears, plums, grapes, berries—also melons, tomatoes and other vegetables, can be bought for \$5 to \$10 per acre in unimproved state. Many places with small clearings and some improvements can be bought very cheap.

This is a fine stock country. No long winter feeding. Free range, pure water, mild climate. A healthy growing country, with a great future.

Write for map and descriptive literature on Missouri, Arkansas, Louisiana, Texas and Kansas. Very cheap rates on first and third Tuesdays of each month. Address: H. D. Armstrong, T. P. A., or H. C. Townsend, G. P. & T. A., Detroit, Mich. St. Louis, Mo.
