

Loopholes in the Law.
British statements late yesterday referring to amend the law so as to permit persons convicted of crime to appeal to a higher court. The need of some change in the law has long been admitted, for although the present law is a verdict of a hundred pounds may be found in a civil court may appear, one who has been convicted of murder must submit to the sentence with no effort to appeal. The present law is a verdict of a hundred pounds may be found in a civil court may appear, one who has been convicted of murder must submit to the sentence with no effort to appeal.
