THE JUDGE VISITS SCHOOL MEETING A FINE RECITALIS A STRONG CASE

the Eccentric Office a Pleasant

Call

Come day has week the Hon. Joseph S.

School, Board met pursuant to call at
School Bo Mr. Chamberlain's story runs like this:—
Pat, on strolling through a city centerly
reading the many finacriptions on the
Jamitor through the many finacriptions on the
Jamitor through the many finacription on the
Jamitor through the many finacription on the
Jamitor through the many finacription

on "French and the looks of the looks of the"
I mever event read of the looks of the"

I mever event read of the looks of the and Pat still is wondering for the why o Another—A prominent attorney nam Strange, living in a big city, took i and Strange, living in a big city, took it is action bin head in even this more morn and had it made a most calaborate marvel of a some mean and had it made a most calaborate marvel of a some man benefit, expensive, hand-some and complete. The only insertion on the great chunk of grantic, has in phist factives in a prominent position in the price of the property o

OF INTEREST WOMEN.

"If you want to finke this a religious nation you must put the children had into the country, or, surround them with some evidence of nature. This appeal to faild in preserving and planting trees is, not only to women, but to churches. For it is only by contact with water that the child is brought to yealust the "xistence of the Creator."

To be the women of America rate z; the friend they have lost through the death friend they have lost through the death of the country of the cou 'If you want to make this a religion

charcies. For it is only by contact with author that the child is brought to realize the existence of the Creator.

To the women of America rale x; the friend they have lost through the death of Siri Richard Seddon, of New Zuland, the greatest statesman of the British Empire? In 13 years he abloshed porters and was suble to say "there is not a pauper in New Zuland," Selfon carried the bill which struck set out of the constitution. It is doubtful by a cond have carried the bill which struck set out of the constitution. It is doubtful by a cond have carried the reforms that have may be the selfont of the world has seen, without the woman's time land the nearest to parada se the world has seen, without the woman's term of the world has seen, without the woman's term of the world has seen, without the woman who had given them justice—the world has been without the world has been without the world had been as his perra-woo fight and the world had been as his perra-woo first pared of America give one grateful the woman of the grateful

piness and whose reward was the love of a grateful, happy people, the richest per capita in the world, who enshrined him in their hearts as 'Our Dick.''

The gave the country:

The gave the country:

The gave the country is the country in the country is the country in the country is the country in the country in the country in the country is the country in the country in the country in the country is the country in the country in the country in the country is the country in the country in the country in the country is the country in the cou

Diamonds Watches

DIAMONDS

We are direct importers of Diamonda; our stock consists of the very highest grade of pure white, and blue white, against picked from the stocks of the leading diamond cutters of the Buropean markets. These buying advantages, together with our low expenses (ont of the high-rent district), enable us to sell Diamondo at prices ranging from 10 to 20 per cent less than those of other jew-ciry houses.

WATCHES

Great ontput and buying capacity must be reckoned with in fixing the re-tail price of Watches.

The Adolph Enggass Jewelry Co,

Sells more Watches than any other re-tail concern in Michigan. Consequently it stands to reason that when we ad-vertise that our prices are the lowest, it stands to reason una was a severise that our prices are the lowest, we are holding rigidly to facts and actual conditions. Our stock includes all, the high-grade makes, including Elgin, Waltham, Hamilton, Dueber-Hampdea and Illinois Watches
