URINARY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS. When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys. FOLEY'S KIDNEY CURE corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed.

\$2.60 Trousers Sale 18th Semi-Annual Mill-End and Remnant Sale. Once more the great occasion that men who know have learned to look forward to this time once more offering values emphatically far better than the state of the wool market can possibly warrant. But there's no magic about it—the goods are gathered together from the mills, from our various stores and from our many agencies—old bolts, sample lengths, mill ends and remnants of every sort and length. There are light, medium and heavy weights, light and black and blue—patterns for dress, business, shop frocks, weather, outing, anything for everything. Some of the remnants large enough for but a single pair while others there may be plenty for all the month—we take them just as they come and make to measure.
