ALRIQUERQUE, N. M. Igly 8, 1986.
Dear George: Will write you Jibat a few lines this morning and let you know that we got through all right and had a very pleasant trip, cool and nice. We found Frank pretty poorly but better than we expected. The weather here for than we expected. The weather here for the past week has been quite rainy and disagreeable but this morning it is fine. There has been quite a change here since I left last spring, quite a number of houses lave been built and a general improvement all over the city. Mr. and when we will not come home not till next fall and perhaps not then, can't tell. The wheat crop through Kansas and Colorado was fine, all harvested and lots of it thrashed. Corn looks fine, in fact, all kinds of crops were good. I should think by what we could see from
