Edited by Albert E. Hayes.

Mrs. Reese, of Birmingham, with her "Family Album" will be at the Congregational church Thursday evening. Prof. Dinklespiel of Clawson Mich. University will give an address. Admission ten and fifteen cents.

Wm. Beltz's little baby is very low.

The village council has changed its meeting nights from Saturday to Thursday, the first and second Thursday of each month hereafter.

The fine new official car of the Detroit United Railway paid Royal Oak a visit this week. She's a beauty. Some day they are going to take her out to Birmingham.

The township board meet at Royal Oak Wednesday after noon to arrange for fixing up the cemetary and also to attend to other township matters.

The grounds around the town hall should be filled in and graded to the side walk. It is up to the township board.

Mr. Frank Hayes, of Lockport, N. Y., is visiting his brother at Royal Oak.

Mrs. Carley is going this week to Benton Harbor to spend a couple of weeks.

Mrs. Hitchcock and Mrs. Fitch are leaving this week for Bay View to spend some time at that beautiful resort.

Gene Clement is having a new house built on Third Avenue. Lee Campbell is doing the work.

Joe Burgess started out this week as rural mail carrier.

Royal Oak and vicinity is not as yet quite populous enough to support a newspaper, so we must do the next best thing, and the combination with the Birmingham Eccentric, whereby one page will be known as the Royal Oak Press, will be a good thing for all concerned, as we thus get the Royal Oak news and news from a territory that is of interest to Royal Oak people. Any thing that will make a news item will be welcome and can be sent to A. E. Hayes or phoned to No. 37.

H. R. Russell, of Royal Oak, is selling real estate in Detroit for Curry & Company.

Anyone contemplating building houses to rent or for sale should get them under way so they will be ready for next spring. Houses renting from ten to twelve dollars a month will prove the most profitable.

Where's the new street commissioner? Why don't he get busy and mow some of the pavement on Washington avenue? This street should not be neglected. Thousands of people pass up and down it every day and naturally look around a little when going through and in its present condition some good prospective residents might be scared out.

The Rev. John H. Bourne has moved into his handsome little residence on the Mill Road. The Rev. Irvine's house in the same neighborhood is rapidly nearing completion. Lee Campbell built the Rev. Bourne's house and Messrs. Wilson and Bachart are building the Rev. Irvine's house.

The Detroit Suburban Telephone Co. has gotten out a neat directory for the Royal Oak exchange. It shows sixty subscribers with three more to go in this week.

It is expected that the new telephone at Birmingham will be installed this week.

The Misses Faber and Helsinger have been learning telephone operating at the Royal Oak exchange.

Frank Rose, one of Royal Oak's bright young men, is to make his debut this fall on the operatic stage as a member of B. C. Whitney's "Isle of Spice" company, which starts out from Boston in September. There is no doubt Frank will make good, and we hope some day to hear his splendid voice in one of the prominent opera companies. Good luck and success to you Frank.

The Royal Oak Alumni gave a lawn social last week on the beautiful lawn corner of First avenue and Main street, which proved quite an enjoyable affair.

"Everybody works but father" don't apply to Royal Oak as everybody including Father, seems to be working.

Roy Hutchins is still at Ypsilanti with the Michigan State Telephone Company and is doing finely.

Mr. Barkley, grocer, corner Eighth and Washington Avenue, has been under the weather for a few days.

While it is pretty warm, it won't be long before we'll have to be thinking of the coal bin.

Next week we are going to publish the full township board, village board, lodges and their officers, churches and their pastors and the different Sunday schools.

There was quite an interesting article in the Detroit News regarding some of our old people, but Bonnie Flanagan the writer, apparantly was somewhat unfamiliar with the facts. The article however, was a good boom to the town and we expect to see several young fellows between eighty and a hundred out looking for locations.

Mr. McLaughlin, manager of the Hendrie farm, is reported as very low.

Mr. Chilcot has left for Chicago to be gone some time.

Before Treatment.

After Treatment.

He was surprised at how the sores healed—He took Your New Method Treatment for a serious blood disease with which I had been afflicted for twelve years. I had exhausted a score of Physicians, taken lots of blood medicine, visited Hot Springs and other mineral resorts, but only got temporary relief. They would help me for a time but after discontinuing the medicines the symptoms would break out again—running sores, blotches, rheumatic pains, looseness of the hair, swellings of the glands, palms of the hands scaling, itchiness of the skin, dyspepsia, stomach, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago. I had no hope, but took his advice. In three weeks time the sores commenced to heal up and I became encouraged. I continued the New Method Treatment for four months and at the end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I certainly can recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish. W. REGIMENTAL REUNIONS AND 43RD ANNIVERSARY BATTLE OF CHICKAMAUGA,

Chattanooga, September 10-22, 1906.

On September 18, 1906, will occur the 43d anniversary of the Battle of Chickamauga. It is proposed to celebrate this memorable event with a reunion of the various regiments that participated in this memorable battle and the various battles fought around Chattanooga. This reunion will be held at Chickamauga National Park, September 18, 19 and 20, and the present indications are that it will be the largest and most notable gathering ever held in the South. On the above dates, the remnants from the armies of the States, comprising the following: Pennsylvania, Ohio, Michigan, Indiana, Illinois, Wisconsin, Minnesota, Iowa, Nebraska, Missouri, Kansas and Kentucky, will assemble, many for the first and last time since they marched from its blood-stained fields 43 years ago.

Here is one of the great opportunities for the education of the youth. Don't fail to take your children and show them historic Chattanooga, with all its historic concerns of it. It is the opportunity of a lifetime. Go and see the old war Generals and other officers pointing out the places of interest on the battlefield; et them show you and explain, in person, the various scenes in the battlefield showing the positions of the opposing armies at the time of battle. It will not be long until none will be left to do this noble work.

It will be many years, if ever again, that such an opportunity will present itself. See that your tickets read via the Louisville & Nashville R. R. to the battlefield Route. Call on your nearest railroad agent for rates and advertising matter pertaining to the reunion, or write nearest representative of the Louisville & Nashville R. R.
