Jos. Ripley Who Will Design the Locks for Panama Canal Was Oakland Boy.

The Procession and Should Have One.

These companies need no recommendation. They are paying every loss covered by their San Francisco policies without... Jos. Ripley, of the government locks at Saint Ste. Marie, has accepted the work of designing the locks for the great canal which the United States will build across the Isthmus of Panama.

Birmingham seems to be about the only town of its size in this part of the country that hasn't a business men's association. As the Executive has several times suggested, it would be for the mutual benefit of the public, private and corporate interests of our village if such an organization were formed here.

Every farm and village building should be covered by a Phoenix Tornado policy, insuring it against loss by tornado, cyclone, or wind. The cost is very small and the risk of loss is proven in this vicinity by the burning of the...

A number of towns might be instanced that owe substantial "honors" and credit to the Birmingham business men's association. It is a homely but true saying that "what is everybody's business is nobody's" but the power of organization cannot be overestimated.
