Whoever Peary is, he is probably keeping cool.

A Persian parliament session closed this morn'g with an electric bulb.

In Paris the "man with the muck-rake" is known as "the man with the shovel."

The Chicago professor who contends that women "made" the world, wants to talk to explain where the rib came from.

Another way of making electric good by surgery might be to perform an operation on the skull of an octopus.

Some bankers owe it to themselves to take pains to have themselves inspected long before the bank examiners suspect them.

Prof. Thomas need not think to claim originality for his idea that the world was created by a woman.

A pin which a New Albany girl swallowed nine years ago has been recovered, thus showing conclusively where one of 'em went, anyhow.

"On various occasions," says Ella Wheeler Wilcox, "I have lived for eight weeks on nothing but milk and prunes."

The chief of police of Seattle has ordered all prize fighters to leave that town or go to work.

Fewer matrimonial mistakes would be made if everyone had the foresight of the man who exacted a prenuptial contract limiting the future alimony to one dollar a week.

It is announced that the lady-bath at Atlantic City is to be enlarged and show their barbers from knee to ankle.

Mark Twain has bought a nice piece of land in Connecticut and will build a \$200,000 house on it.

The gambler of Baroda forgot the cables, but he will remember 'em when he meets a number of American ladies in Europe.

Government clerks use 1,174,422 pencils a year. Each clerk is allowed every eight days to take a pencil.

Lighter and brighter shades are in vogue for frocks and trims.

Last year the trade of the United States with its outlying possessions reached \$119,000,000.

Certain Cuban military officers became dissatisfied because President Palma limited their professional opportunities by keeping the number of infantry troops down to the minimum.

Boothblack on the Hudson ferry boats wear caps on top of which in gold letters is the injunction that they must not solicit shilshes.

Miss Pauline Ciska, of Chicago, followed a man around the world and finally made him marry her.

An eastern farmer has just put in service an all-steel, collision-proof, proof and largely soundproof car.

The career of the late actor, Toole, is that of a man who was a failure in everything he attempted.

It seems a geographical mistake that the world's oldest man suddenly made his appearance in the United States instead of the Russian palaces and parliamentary halls.

A Pennsylvania girl is going to South Africa to learn the monkey language.

Philadelphia has ruled that a girl is no longer a girl when she passes 25, but no girl ever passes 25, no more.
