FIFTY CENTS

IN some conditions the gain from the use of Scott's Emulsion is very rapid. For this reason we put up a fifty-cent size, which is enough for an ordinary cough or cold or useful as a trial for babies and children. In other conditions the gain is slower—health cannot be built up in a day. In such cases Scott's Emulsion must be taken as nourishment; a food rather than a medicine. It's a food for tired and weak digestions.

The Breath of Life.

It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs mean powerful creatures. How to keep the breathing organs right should be man's chiefest study. Like thousands of others, Mrs. Ora A. Stephens, of Port Williams, Ohio, has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. O, it's grand for throat and lung troubles. Whitehead & Mitchell and Cobb & Cobc Tell of the Remarkable Success of Pepsikola Tablets in Relieving Indigestion.

After selling all kinds of remedies for dyspepsia and indigestion we can truthfully say that we never knew anything to give such universal satisfaction as Pepsikola Tablets. They not only aid indigestion but they act as a grand nerve tonic as well. Many Birmingham people who have long enjoyed a good meal for years now say that after using one or two 25-cent boxes of these little tablets they feel as if they could eat a horse and digest it too.

Whitehead & Mitchell and Cobb & Cobb have been recommending this grand dyspepsia remedy for nearly two years now, and from actual experience know there is no other remedy so sure to relieve sour stomach, bad taste in the mouth, coated tongue, palpitation, sleeplessness, wind belching, and other distressing symptoms of indigestion. And Pepsikola Tablets must cure you or there is nothing to pay. They will renew your energy, steady your nerves, regulate the action of your heart, improve your appetite, put new life in your stomach, and will do more to tone up and improve your general health than anything you ever heard of.
