Or Feed Them Food They Can Study On,

When a student begins to break down from lack of the right kind of food, there are only we things to do: either take him out of school or feed him properly on food that will rebuild him properly on food that will have been a bad condition from overstudy, but Mother having heard about Grape-Nuta food began to feed me on it. It satisfied my hunger better than any valeous. I golf field like a good fellow. My usual moraling headaches disappeared, and I found I could study for a long period without feeling the effects of it.

"My face was pale sat thin, but is made to the study of the self-will be a new toy altogether." I have gladed greatly in strength as well as field, and it is a pleasure the study new that I am not bothered with my head. I passed all of my examinations with a reason-bone of them, and it will a reason-bone of them, and it will not be not be a study in entering college.
