It's a heavy strain on mother.

Her system is called upon to supply ent for two.

Some form of nourishment that will be easily taken up by mother's system is needed.

Scott's Emulsion contains the greatest possible amount of nourishment in easily digested form.

Mother and baby are wonderfully helped by its use.

Detroit's Greatest Toy

One of the greatest joys of Christmas time is in making the little ones happy. Nothing can take the place of Toys—useful grifts and more costly ones might be appreciated in a measure, but it is the Toys that bring gladness to children's hearts and make them look forward to Santa Claus' visit with eager anticipation.

Detroit's greatest Toy Store is now ready in the "Heart of Detroit." We can supply everybody within reach of this store. Additional space has been taken on the fourth floor, and the display of Toys is nothing short of marvelous. In variety and extent, there is nothing like it between New York and Chicago. Affishe newest Toys, the latest more than the vertical store of the store of the
