THE GOT THE COONS

Modern Davy Crockett's Justified Reputation.

Animals Spotted From the "Volcano" in Drovers After Uncle Sam Had Fixed Up His Little Spruce Party.

Coons bothered the farmers living at the foot of Jockey Cap mountain so this fall that the residents finally sent a committee over to Chittenango...

While it seemed as though all the coons in the country had congregated on Jockey Cap just to make the lives of the farmers miserable...

When chasing a deer he goes at a leisurely pace, sitting down at intervals to give the most important and blood curdling howl...

In winter the deer often makes for some wild rapids into which it plunges, knowing that the water will carry it to open the deer down, but better such a death than one by the fangs.

Uncle Sam climbed to the top of the cliff, satisfied with satisfaction and forty-two responded and men with guns placed about a hole 200 feet back from the cliff's face.

There was a great deal of cheering and shouting as the men with guns fired at the coons...
