VILLAGE 'LECTION

The Library Question Wins by Only Eleven Majority--Was a Close Call.

The village election passed off quietly and harmoniously, as if without any bloodshed at all whatsoever.

We noticed that D. M. Johnson, Jno. Barclay, Al. Whitehead, John Harsh and Fred Curtis are still voting for themselves evidently, as each received one vote each.

B'HAM, WAKE UP

A Properly Owner in Birmingham is Astounded at the Way the People View a Needed Improvement.

It almost makes one ashamed to say that he ever lived in Birmingham to hear so many talking about public improvements.

I, for the life of me, cannot see how any man can vote against having sewerage in Birmingham or say one word against the library proposition.

One Who is Interested.

No Case On Record.

A DIFFERENCE.

Mr. Jefferson (elder's name)--Does your sister's hair curl naturally? Tommy (aged six)--No; she just naturally curls it.--Baltimore American.

ST. PATRICK'S DAY

The Ladies' Aid, of the M. E. Church, to Celebrate St. Patrick's Day With a Big Banquet.

In so-much as the Women's Literary Club, of Birmingham, believes in "Let your light so shine," that the public may know something of what they are doing, or of what they are capable, we have given to THE ECCENTRIC an original paper, read before said club, and hope to have many more in the near future.

Capital and labor, hand in hand, have traveled together since the beginning of time; for did not God send Abram out of Eden to till the soil? And did he not further on Abram, was said to be very rich in cattle, in silver and in gold. Also there were herdsmen and tenders of sheep.

Dynasties have risen and fallen through the use and misuse of capital, and the use and misuse of labor.

Capital and labor, after a hard struggle, discovered our own America, and great has been their reward; for never has labor been recognized as in our own country, and never has capital been more powerful, and together they have built a great nation.

Life is real, life is earnest, and all things come to those who wait and work. Ours is not a mere butterfly existence to flutter away with nothing doing.

Imported labor, because more cheap than our own labor, has caused conflicts between capital and labor. A capitalist not long since said the labor unions were alone to blame for united capital. I do not agree with him altogether.

Whenever you have a cough or cold, just remember that Foley's Honey and Tar will cure it. Do not risk your health by taking any but the genuine. It is in a yellow package. All druggists.

This is Worth Remembering.

The great medium made a few mysterious movements with her hands in front of the cabinet.

In the Sick Room.

WEDDING BELLS

Ring Out Joyously Over the Wedding of Miss Lulu Johnson and Wilbert Donaldson, of Troy.

A very pretty home wedding took place at the home of Mr. and Mrs. Geo. Johnson, Wednesday evening, March 6th, when their only daughter, Lulu, and Wilbert Donaldson were united in marriage by the Rev. Good.

They received many useful and valuable presents at the wedding and at a shower given in honor of the bride by Mrs. Harry Johnson.

That seems to be the spirit shown. Labor won't down and capital feels its superiority. These are some of the petty conflicts of capital and labor.
