

The effect of Scott's Emulsion on thin, pale children is magical.

It makes them plump, rosy, active, happy.

It contains Cod Liver Oil, Hypophosphites and Glycerine, to make fat, blood and bone, and so put together that it is easily digested by little folk.

ALL DRUGGISTS; 50c. and \$1.00.

Congregational Church Notes.

Lymon Abbott once said, "Religion is the life of God in the soul of man, theology is only the theory of that life." Theories never saved a man, but the life of God in the soul of man, there is only one way. While physicians speculate and theorize on disease, its cause and possible methods of cure, the patient too often "folds his tent like the Arabians silently steals away" into the great unknown. Had they a handbook that could say of the disease, "the malady is this, and here also is positive cure," all controversy would be at an end; finally, any theories would be laid aside for positive energetic action and a life would be saved to the world for its fulfillment.

We are glad to see an awakening in the things of God this spring. Our own congregation is feeling the thrill of new life from on high, that is passing through the world just now in a great religious reformation. The congregation is increasing and new interest is apparent. It is exceedingly appropriate in coming to the season of the year, should the Son of Righteousness arise upon this people and warm them to his praise, growth and knowledge in spiritual things. "Draw near to me and I will draw near to you," saith the Lord.

Our Block-long Furniture Dept. Is Full of New and Reliable Goods Marked in plain Figures. Welcome

Our Furniture Department extends the whole length of our store—from Monroe to Gratiot Avenues. Being on the fifth floor, it is unobstructed as an entire block of space for the display of everything that is new, substantial and beautiful in the line of Furniture. No extravagant prices here. We bought our entire stock direct from the manufacturer. The result is we can give you figures on Furniture never attempted by any other dealer. We have resolved with this new department to knit closer than ever the personal relations and mutual confidence which has been existing between this firm and its patrons. Take time to look over our stocks, whether you have any intention of buying or not. We want to get your good will. No forced sales, as at most furniture stores; but, on the contrary, you may take your time, select what YOU want, and pay what the salesman desires you to pay. Our floor samples all have prices attached. They are marked in plain figures, and every price is lower than the same articles can be bought for at any other store in Detroit. We guarantee this. Wouldn't you plain price-marks if we feared comparison. No other Furniture establishment can serve you so well. Again, we extend to you the invitation to come and see how well we are prepared to supply your demand.
