Congregational Church Notes.

Don't forget the cantata, "The Queen of the May," given by the Church Society at the church, on the evening of May 24th. The admission price is 15 cents, and all who attend will be well repaid for the small outlay.

The Ladies' Union, which has been changed to once a month meetings, has returned to its former bi-monthly meetings. It met Wednesday afternoon. The next meeting will be two weeks from that date, May 29th, at 3 p. m. The ladies deserve much credit for the able support, given through the society to the church, in times past and present.

Mr. and Mrs. A. E. Wateman, of Highland, were guests at the pastor's for a few days last week and over Sunday.

The chapter for the Prayer Circle for Wednesday evening, May 22nd, is in Room 14.

Work has commenced on both the new buildings for the bank and the new undertaking establishment. They bid fair to be a decided addition to the appearance of our main business street.

No. 2, Vol. 2, of the Royal Oak News is out. This far it seems to be one idea aspirant for public favor, as the whole of this issue is occupied in extolling on the glories and efforts of the Hotel De Mankookit, which translated into plain United States' evidently means the Hotel de Mankookit. It is plainly advertising itself gotten up to impose on a gullible public. This particular issue is engaged in an effort to induce the people to expose themselves to an evening of unadvised enjoyment at the expense given by the men at the Town Hall on Tuesday evening. At this writing, the baneful effects, should any follow the exposure, have not yet become apparent.

Let me call you free, to give merit, samples of Dr. Shoop's Restorative, and my book on either "The Heart, or The Kidneys," Address me, Dr. Shoop, Racine, Wis. Don't make the common error of treating symptoms only for a moment, when you are treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—mean stomach weakness, always. And the heart, and kidneys as well, have their controlling or inside nerves. When these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." ROYAL OAK.

We are the people.
Mr. Barnowski of Main St. has just about finished his new barn.
Fifteen new houses are now under way and our village is certainly growing fast and furious.
"Jake" Lawson buys gravel at the Clarkson gravel pit, and finds it cheaper this way, than to have it team hauled.
We have the neatest and cleanest little bakery in the state. It will average up with any town, five times outside in the state.
More Castle is what the people of our village call the electric light station, that the Co. bought from the Fay homestead, on Main Street.
Mrs. Esther Fay, nearly 90 years old has been quite ill with a gripe for over three weeks. We are glad to say that she is now on the gain.
Work on our new bank building is being held up, on account of non-arrival of brick. These bricks are to come from Toledo and the delay is vexatious and maddening.
The Misses Lottie Irwin and Mamie McKam attended the opening base ball game of the season at Flint, Mich., last Tuesday, and enjoyed a fine afternoon in the vehicle city.
Mr. and Mrs. M. J. Carley visited friends at Jackson, last week; were most royally entertained, and were greatly interested and pleased by a visit to that state institution at the foot of Meacham Street.
Hudson & Hannan of McGraw Bldg. Detroit, have a Royal Oak subdivision that contains 79 fine building lots, each with a fifty foot frontage. This subdivision will be of great value to our immediate growth.
A severe accident happened to our village undertaker, Mr. John Cook, who walked into an open trap door, and fell eight feet, injuring himself quite severely. One leg was nearly broken.

WHITNEY.

The forthcoming visit to the Whitney next week of "Human Hearts" will no doubt be warmly welcomed by the lovers of all that is good in melodrama. "Human Hearts" is beyond question one of the strongest and most interesting of plays that has ever visited our city. The author belongs to that all too small group of dramatists who understand how to reach the heart and hold the attention of the audience. In "Human Hearts" he has constructed a play that will never grow old. The principle theme of the play is "Hope," and has not some author written that "Hope springs eternal in the Human breast?"

The comedy element is introduced in such a way, that it becomes relevant to the story, and the climaxes are worked out naturally and logically.

The engagement is for one week with matinees daily except on Wednesday.

Call at our store, please for a free sample of Dr. Shoop's "Health Coffee." If real coffee disturbs your stomach, your heart or kidneys, then try this clever coffee imitation. While Dr. Shoop has very closely matched Old Java and Mocha coffee in flavor and taste, yet he has not even a single grain of Java or Mocha coffee in it. It is made from pure Coffee Imitation is made from pure toasted grains or cereals, with malt. You can't tell the difference. Sold by Charles J. Shain.
