LYDIA E. PINKHAM

Mrs. Pinkham's Standing Invitation to Women

VIRGINIA'S LESSON

By Hilda Richmond

"It isn't that Hérbert is a bad boy." Is out of the question. You go and Mrs. Castle was saying, with a work of the question. You go and Mrs. Castle was saying, with a work of the question. You go and Mrs. Castle was supplied to the question. You go and have a good time. Wit ship to sailly for anything. Mushy, the boys call them, and the word fits very well. Instead of having a good time with the crowd as they always idid, they prefer to sit around by themselves at parties and Vinite to spoak two or three times before a realizes as is on earth."

"Oh, well," said her sister, consolingly, "alights have those spells. I remember how Bob Lane and I used to think our folks cruel and unsympation of the properties of the properti

young man who had conducted twe small boys in dirty lines usit down the car steps. "The brakeman will carry your luggage."
"Effet" Virginia looked in dieguat at the innocent young man, but her at the innocent young man, but her a minute later when a straightness a minute later when a straightness a minute later when a straight on the pale young woman with her hat on one side of her head and told her how delighted they were to see them all. Was it possible that this was the beautiful bride of zevern years ago!
