
Scott's Emulsion is powerful nourish

It makes bone, blood and muscle without tting any tax on the digestion.

The meaning are free unlocated property of the past wards and produced and excelling worked. All services and meetings of excelling the things of the work.

Congregational Church Noies.

We wish to thank the editor of This Eccentral for so humple a thing as church notes and religious comment.

It is no small thing, in these days of hurry and bustle and worry in the work-acdy cares of the world, to have an opportunity to throw a word into the midst of the "likter of Time," hoping it may aid in turning the current of some lives into the quieter waters near show once knew of a lady who said of a certain zandously affected "member" of a certain zandously affected "member" that "he prayed to the Lord on Sinne lives into the quieter waters near show the conce knew of a lady who said of a certain zandously affected "member" of a certain zandously affected "member" that "he prayed to the Lord on Sinne days and preyod on his heighbors the rest. of the week." However just of the Sabbath teachings, and the teachings as well, might be carried into the heart of the week with treemedous benefit to all concerned. A fellow-feeling for his fellow-creature's pocketbook all of the time; in fact, the whole scheme of Christiantity lies in that. The min first and things afterward—for things periodical does not go to show the stand of the work in the public than the secular preval is a projected light where the public than the secular preval of the work in the public of the work in the public of the work of the work in the work of the subject depond. The secular preval is the very box means there is of reaching the variety of the work of t
