

been out of town; she has been visiting relatives at Rochester, and returned much benefited by the change and rest.

Mrs. Charles Leet and the two little Leetlets are visiting with Mrs. Let's parents, C. W. Bruce and wife. Mrs. Ethel says that it does one good to get away from the big city, and enjoys the change very much.

The remains of Stewart S. Falmer, who died at his home in Chicago, Friday evering, and taken to the home of his father, Samuel A. Palmer. His funes of mening tits, were brought to Pontiac, Sunday evering, and taken to the home of his father, Samuel A. Palmer. His funes alwas held Mohday afternoon, of this week, Rev. W. R. Kedzis, officiating. Little run a town with vim or just sell out and loaf. One thing must be done—run the town for all its worth, get up steam and keep it going. Do you want trade? Do you want business in two ley our actions, but all work is to role your actions, but all work is the role of the ro

your town? Then never permit jeabusties to rule your actions, but all work together for prosperity and mutual benefit.

In an interesting recent letter from Alfred Eg Gorton, employed by the U. S. government, in the Auditor's departiment, at San Juan, Port Rico, to ye editor, Mr. Gorton ioyfully announces the safe arrival of his daughter, Miss Frances I. Gorton. This charming like Yankee girl, 'born in a foreign light arrived safely July 17th. '07, and gare happy over it. Congratulations.

Ten new cars are now in commission and regularly running over the D. U. R. We hear nothing but praise for them. They are fine, right up to date, swift, handsomely upholatered, and well on the satisfaction of knowing there is none better. But, all the same, give us a green bull's eye in front insead of red, the red looks too much like Mt Clemens.

Pontiae has organized a new automobile plant. It like capitalized at \$200; which well are the composition of the successful cars now on the market. The enterprise, is Alanson P. Brush, pesigner of the Cadiliae engine, and several other successful cars now on the market. The enterprise, is Alanson P. Brush, pesigner of the Cadiliae engine, and several other successful cars now on the market. The enterprise, is Alanson P. Brush, pesigner of the successful cars now on the market. The enterprise, is Alanson P. Brush, pesigner of the successful cars now on the market. The enterprise of the successful cars now on the market. The enterprise is alanson of the successful cars now on the market. The enterprise is alanson of the successful cars now on the market. The enterprise is alanson of the successful cars now on the market. The enterprise is alanson of the successful cars of the successful cars now on the market. The enterprise is alanson of the successful cars of the successful cars now on the market. The enterprise is almost the successful cars of the successful cars now on the market. The enterprise is a successful cars of the successful cars of the cultimative cars of the successful c

We overheard a Southfield man telling we overneard a Southneid man telling on the street yesterday, a conversation he chanced to hear between a young boy in his teens and a Christian Scientist. It appears the Scientist came across a small boy sitting in the shade of an old apple tree doubled un with pair. "My apple the shade of an old apple tree doubled un with pair." ars the Scientist came across a sy sitting in the shade of an old ee doubled up with pain. "My un." he said. "what is the mat-"I ate some green apples," the boy, and, oh! how I ache!" little man," he said, "what is the mat-ter?" "I are some green spies," little, employed by W. S. Walker, mounded the boy, and, oh how I ache!" was thrown from his rig, Tuesday, and "you don't ache, "nanewerd the foll w-red of Mrs. Eddy; you only thin't ro." was driving a colt which became fright-flush as takement, and then replied in a nost positive manner: Traha" all right; that a far wate standing by the road-mout positive manner: Traha" all right; that a few days previously the same formation." while was one was the said of the strange part of the sifter is not may think so, but I've got inside aformation." as well as the said of the strange part of the strange while wagen rushed by at a 20-mile clip." while wagen rushed by a ta 20-mile clip.

The book is in our library.

On recommendation of Prosecuting Attorney Covert, Justice Campbell on Saturday continued the Royal Oak feminie shooting scrape for a period of 30 days. Belle Weich, the defendant, was released on a good-behavior bond, and if the trouble is not renewed the Prosecutor may consent to an indefinite extension of the armistice.

MICHIGAN

HE 1907 STATE FAIR will be the largest and best eve held in Michigan. There will be double the usual number of exhibits and amusements, hundreds of which are new and were never before shown at any fair. Every building will be filled to its utmost will be taken, and the total number of exhibits will almost double that of any previous year.

will be taken, and the total number of exhibits will almost double that of any previous year.

The grounds will be open every evening. There will be something doing every minute. Every known convenience has been installed at a great expense for the comfort of the people who will attend this great exhibition.

The live stock and poultry exhibits will be equal to that shown at any fair in the United States. The best stock in the State and a number of show animals from other States will be shown. One of the interesting features will be the live stock parade, in which all prize winners will take part.

tures will be the live around purely.

The fruit exhibit promises to be one of the best ever.

The fruit exhibit promises to be one of the best ever.

The truit exhibit promises to be one of the best ever shown, many of the more prominent fruit growing counties have arranged to make special county exhibits. Every available inch of space in the Machinery Section has been taken, and many new machines and devices never before shown, will be seen at the State Fair. The vehicle exhibit will be larger than ever. The race programme covers a period of six days and the purses total \$9,800, as follows:

2:08 Pace... 2:15 Trot ... 2:20 Pace...

Is an important branch of our business. It requires a tention, and specific knowledge of modern pharmacy, not hesitate to claim possession of these fortifica-we can safely and honestly assure you the best possi-

we can safely and honestly assure you the best possible service.

We have a system of recording and checking which absolutely prevents mistakes. We only use the best goods in filling all prescriptions—a point which should seriously interest you if you have a regard for your life, which might be snuffed out in a jiffy by a prescription wrongly filled.

We'll put our prices on the block with any, where quality is given a consideration. If you try us once, you will come back the next time you want a prescription filled with care and despatch.

Our prescription department is not only in charge of a Registered Pharmacist, but he is also a graduate of the Pharmacy Department of the University of Michigan, and has had over 10 years of practical experience.
