ROYAL OAK CHURCH NOTES.

Congregational Church Notes.

"The golden god still holds his own-still rolls like waves of Acheson, the tide of Time's disasters."
This is a narvelous age, and the win-ards of learning are causing "fire to come down from heaven in the sight of men,"

These concerns the lightness.

"These concerns the lightness."

"The lightness the lightness the lightness the lightness the lightness the lightness. The lightness the light

State Banking Commissioner Henry
M. Zimmermann was present at the
poening of the State Savings Bank of
Royal Oak, and congratulated the officers upon the early completion of the
bank building after the organization of
the company. The bank is capitalized
at \$20,000, and is already assured a
large volume of business which has
incretofore carried outside of the viillage. The deposits the first day exceeded \$12,000. George Baker is eashier.

ier.

The saw and grist mill owned and operated by H. J. Bowers, three miles porth of this yillinge, was jurned to the ground about 10 o'clock on Wednesday might of last week, entailing a loss of \$5,000, which is but partially insured. The origin of the fire is unknown. There was no fire protection, and eyes had there been, when the fire was discovered it had gained such headway that the plant was doomet. The mill has been operated part of the time all summer.
