

### MILLION DOLLARS NEEDED FOR GRAIN INSPECTION

in.

The smallness of the appropriations the past have prevented the detment from doing a great deal of tetre work. In fact, it is declared some of the experts on matters tainings to grains that the present or-miss method of inspection is uties worthless.

stances. Some content of the stances is a stance of the st

THE indications are that the work of the experimental laboratories for the study of actenutic grain in the control of the study of actenutic grain in liabed in St. Louis, Minneapolts, Druth and New York, will be carried on lext year on a much more claborate scale than at present.

The congressional appropriation for the work this year is \$40,000. Last in the control of the work this year is \$40,000. Can be confident to the work this year is \$40,000. Can be confident to the work this year is \$40,000. Can be confidence, and to secure a high grad repression spend \$1,000,000 or more in this important field.

The plan is to appoint a general supervision of the contains 12 per great open the contains 12 per gr nanoame, and to secure a nigg grading by the inspector, who jodge chiler

On the other hand, a grain from a
dry cognity, which contains 12 per
n cent. or thereabouts of molature, is
not as handsome, as a rule, and will
be graded lower. Yet this grain when
put into a ship for a voyage across the
put into a ship for a voyage across the
feeting of molature and will reach
tag destination looking fine, plump
and full with an increase of several
per cent. In weight.
The shipper actually stands to
junke more money on certain grains
as a result of their absorption of
freight. He could make money by
loading his grain on a boat, giving it
a voyage for its health and bringing
it hack to the first port for sale.
This is merely a suggestion of the
leading real of the present methods of
leating grain.

# CHURCH

DAUDI CHUA.

Three days later the challenge was accepted was accepted

tinued. The son of the king who welcomed the missionaries became the murderer of the missionaries but he, too, had a son. In 1855 Hannington was murdered. Twentyone years later, in 1806, the son of Hannington baptized the present king, son of the man who was the father. Here, surely, was an expension of the son of Hannington baptized and the state of the son of the state of the surely, and a proof of the value of to particular, and a proof of the value of to particular, and thousands attend worship every sunday. Those who endured the persecutions of 20 years ago rejoice that times have changed.

The life of Hannington was not the surely supported the persecutions of the surely supported to the surely surely supported to the surely supported to the surely supported

Gospel League.

For the purpose of encouraging personal work in soul saving, a new organization has come into being with the great exampleits R. A. Torey as president. It is known as the Interpolation of the C. M. Alexander, first, which is controlled to the officers of the controlled to the officers. Beginning than England: W. Wellington Wood, treasurer, Philadelphia, U. A.; George T. B. Davis, secretary, Chicago, U. S. A. The motto is salvation and Service. The Prayer—O God, show me Thy will; give me strength to do it, and I will do it, through Christ.

The Purpose—The winning of unsavening the control of the propose—The winning of unsavening the control of the propose of the proposed of the p

charged. There is no soliciting of funds. No financial obligations of any kind are assumed by the society. Any three members in any one place may organize a local Men's Gospel league independent of all other leagues, but cooperating with them in the work of soul-winning by personal work.

work.

It is well worth while for earnest
men engaged in the same work to
keep in touch with one another
through some central medium, the victories of each thus inspiring all others
to increased faith and endeavor.

NOTES.

The Salvation Army is established in £2 countries and colonies and preaches the goosel in \$1 Janguages.

How shall we secure a greater at day schools? Inquire see a nation upperintendent. If everything else falls, brother, try a box of fudges, says the Chicago Tribune.
