KINDLING FIRE WITH STICKS.

The matches had been for and it looked as if it would be it bie, for lack of fire, to roast the on the beach.

"Now," he said.

And kneeling, he began to rub it sharp end of the peg up and down the groove. He rubbed as hard at as fast as he could. His broad brea heaved with the labor, his handson brown face dripped with heat. But at the end of five minutes it groove began to send up little bit groove began to send up little bit.

"Have that straw ready," gasp

Waiting rer spore.

When little Jennis' became the oud possessor of a new haby brother so was asked to sell the baby.

"No," was the emphasic canswer; rou can't have this one. Wait suffill have got a whole lot of them and early size one to you."—Judge.
