There is not much difference, politically, between Wm. Jennings Bryan and Dr. Carpenter, of Detroit, though the latter is chief of the Democracy, while the other is a Republican of the stalwart brand. The former made three "trys" for the nomination and failed it every time, the latter also made three "trys" for the honor, but was equally successful in getting left.

The colored quartet concert at the M. E. Church was a grand success and was largely attended. OBITUARY.
JOHN ROBINSON
Was born in the township of St. Clair, July 8, 1878, and died at his home in Clawson, Sept. 23, 1908.

He spent most of his life in the township of Troy. He was a successful business man, at the time of his death he was running a general store and other business at Clawson. In 1904 he was united in marriage to Mrs. Ella Pallister, of Troy.

During his last illness, he sought and found Jesus Christ to be his personal Savior. Although he deeply regretted that he had neglected religion so long, but he rejoiced that he knew by personal experience that Jesus Christ was able and willing and did save him even then. And it was this faith that sustained him when called to bid his wife and friends goodbye to cross the valley of the shadow of death to live forever with his Lord.

He leaves a wife and one adopted daughter, also a father and mother, one brother, two sisters and a large circle of more distant relatives and friends to mourn his loss.

His funeral was held at his late home in Clawson, September 23, 1908. Rev. L. L. Houghton, of Birmingham, officiated. A short address, after which the Rochester lodge of F. & A. M. of which he was a member, took the charge, conducting the services both at the house and at the Royal Oak cemetery according to the ritual of the order, where they deposited his remains to await the resurrection of the just.

Auction Sale of Vehicles
At Pontiac, Michigan
Saturday, Oct. 10

Commencing promptly at 1:30 p. m., standard time

The Receiver of the Standard Vehicle Co. on that date will offer a large line of finished vehicles for sale, consisting of all kinds and styles of Top Buggies, Surreys, Open-Driving Wagons, Concocks, Bikes, etc., in both steel and rubber tires. These vehicles were not made for the purpose of an auction sale, but are regular goods, such as this well-known company has been turning out to its trade for the past seven years. As the business is in the hands of a Receiver it has got to be closed out as soon as possible, so we are taking this means of disposing of these vehicles.

These vehicles will be sold to the highest bidder without reserve, and are open for inspection at the factory any time prior to sale. This will positively be the last auction sale we will have in Pontiac, and what goods are left over will be shipped to other parts of the State for sale. Out-of-town purchasers can have goods crated and delivered at the depot free of charge. These vehicles are guaranteed to be as represented, and probably a chance of this kind will never present itself again in the City of Pontiac when you can get a carriage at your own price. You can't afford to miss this sale.

We will also offer on that day a large line of Blacksmith Tools, consisting of Anvils, Vises, Wood Pulleys, Leather Belting, two sets of Scales, two Roll-top Decks, and other articles too numerous to mention. The sale of these articles will commence promptly at 11:30 a. m. standard time. This will be a bargain day in Pontiac. The hour of sale has been fixed so these wanting to attend can get here before the sale, and will be over in time to take trains for home.

TERMS OF SALE—\$10 down; balance running four months, with approved notes at six per cent interest.
