He is one of our old residents and keeps a good cow. Of late he has been suspicious that she was being milked, not during daylight. However, he put a lock on the stable door and now gets his milker in as much milk. Why? The milker is known and will be better known by all when the document is called in to pick the shot out from his legs if he comes any more.

The State Federation of Women's clubs held its annual meeting last week at Traverse City. The delegate from the club of this village was Miss M. Baldwin, who gave her report to the club last Tuesday. These are a few of the things mentioned: The Federation now numbers 205 clubs, 18 having been admitted during the past year. In the three days' meeting there was not a break, every one promptly filling the place allotted on the program. The Educational committee reported \$800 in the Alice Freeman Palmer Memorial fund. This fund is to be used in connection with the Stone memorial fund of \$5,000 to be loaned to help women through the university. The departments of Literature, Art, Forestry, Town Improvement, Legislative, Household Science, Child Labor, Civil Service, Reform and the Prevention of Tuberculosis, shows what a vast amount of work these clubs are doing. The little city of Traverse was hospitably itself. The Press gave fine reports, the home club a fine reception and every delegate returned home in Oakland county than this one of Phil Lambert and son. Long may they live.

Birmingham is disgraced. No help for the sufferers from her citizens. The richest township in the county turns down an appealing cry for relief. Five men and two boys attended the meeting last Monday night. A shame and a disgrace for our city.

The Mitchell's are great. This time it is Gast Mitchell that distinguishes himself. He has just died eight acres of the potatoes and the yield averages 10 bushels per acre. Profitable product. Figure out the value at 15c per bushel and then tell us farming don't pay.

A kind deed. The party taking my gloves from Johnston & Shaw hall Friday night last, was very clever indeed, but if your party took them, from so near empty it is that just drop me lines and I'll try and help the cause along. Yours truly, L. Ferris Frazier.

Evening service will be resumed at St. James Church next Sunday, November 1, All Saints' Day. The hour will be 7 o'clock. The topic of the morning sermon will be "The Communion of Saints." Rev. Laird W. Snell, of St. James' Church, was ordained to the Order of Deacons in the Episcopal Church by Bishop Williams, on Thursday, October 22, at St. John's Church, Detroit. Dr. William F. Fisher, the friend through whom Mr. Snell came to this region, presented him for ordination. The presence of a goodly number of clergymen from the Detroit parishes made the impressive service more than ordinarily important in which the Communion of Saints, by Rev. H. H. Fox, of Pontiac, on the text, "I Am in the Midst of You as One that Suffereth," was an inspiring interpretation of the meaning and worth of Church service as symbolized by the diaconate.
