Tells of Various Phases of Question, Differences of Opinion that Prevail, General Sentiment as Found in Districts.

Stop That Cold

Put Your Money In a New Country

The Facilic Costs' extension of the Chicago, Milwankee & St. Pauf Railway now un to find the property of the Costs' extension of the Chicago, opens to the settlet thousands of acres of excellent agricultural land. The new count Hettinger, and Bowman Counties, North Dackos, and Butte County, South Dackos, is by the new track. The soil is a dark loam with clay subsoil, and produces in abund to the county of the produces in the cost, battley, applic, flas, come and potatoes. The land is well adapted of farming, good wat a depth of front reemy to firy feet, and the whole country is underfaid with lignite or crops along the streams, and in most cases can be had for the digging.

The climate is healthful, the air is dry and inviporating, and the percentage days is high. Outdoor work can be done almost every day in the year. Rainfall is client to raise the crops. Regular mail service has been established, the roads are telephone lines travers the country, and automobiles are in continuoj use. The decided district sells for from 310 to \$18 per acros. There are many instances this year we expended in the continuous of the control of the

Chicago Milwaukee & St. Paul

In Montana, the new railroad traverses good farming land. It has been demonstrated that bigstops of grain may be raised. Along the Yellorstone and Massellsheil rivers, the water is used for irrigation, and phenomenal yields and talks ugest beets, and gar beets and gar in the Judith Basin have Lewistown, Montana, is one of the most remarkable sections was overstain. In the Judith Basin have Lewistown, Montana, is one of the most remarkable sections upon the lands when the lands of the produced this year an average of 35 busheles of whether the lands when the hard the produced they are an average of 35 busheles of whether the lands when the lands of the lands of
