PARDRIDGE & BLACKWELL Cadies' New Spring

Useless to attempt description of these Ladies' Suits. In the first place, there are more than 20 styles, and all so fine and kandsome that the most elaborate word-picture could hardly do them justice. And it is still more difficult to convey the value idea. Won't you take the time to see the Suits? Most women would enjoy looking at them just because they represent the new Spring modes—and EVERY purchaser is going to profit handsomely by the sale.
