

Consumption is less deadly than it used to be. Certain relief and usually complete recovery will result from the following treatment: Hope, rest, fresh air, and—**Scott's Emulsion.**

ALL DRUGGISTS: 50c. AND \$1.00.

**ROYAL OAK CHURCH NOTES.**

**FIRST CONGREGATIONAL—D. W. E. St. John, Pastor.** Sunday—Morning service, 10:30. Sunday School, 10:45. Evening service, 7:30. Wednesday—Prayer meeting, 7:30 p. m. Ladies' Aid, 11:30 a. m. Tuesday—Prayer meeting, 7:30 p. m. Thursday—Prayer meeting, 7:30 p. m. Services are held every other Thursday evening. These meetings are for the benefit of the sick and convalescing. They are addressed by good speakers from various churches. A previous announcement of speakers and subjects will be given. All services and meetings on standard time.

**FRANKLIN**

Miss Addie Beattie is still a guest of aunt, Mrs. B. D. Bigelow. Mr. and Mrs. J. Hamlin are contemplating moving to Farmington in the near future.

Miss Helen Slade, of Detroit, was here visiting her grandparents, Dr. and Mrs. Buel, recently.

Mr. and Mrs. A. Dunbar visited at the home of their daughter, Mrs. W. McKinney, in Birmingham, the first of the week.

The old time April Fool day has come again. Did you get fooled? If not it is your own fault. Surely this is a day not to be forgotten by the younger generation.

The pupils who have been enjoying their vacation, have returned to the schools with new vigor and determination to take up the work awaiting them.

The many friends of the Misses Adeline and Sarah Sly are pleased to hear of their home coming to Troy, to new fields, working for the same cause.

Even this little town although out of the way place, is sometimes visited by the big men of the state. Gov. Warner was calling on old friends and looking after the interest of one of his factories here the first of the week.

The Foresters of this village gave one of their banquets recently. Judging from those present the time was well filled with music and all to make the evening one never to be forgotten. Surely this order is growing fast and many speak in high praise.

All Easter social will be held at Franklin M. P. Church on Friday evening, April 17th, for the benefit of the pastor, Rev. G. H. Dover. Come out and help the good cause along. A nice program will be in vogue for the occasion.

This mid-winter week has been full of interesting happenings with the Westwood dancing club at the Public hall and prohibition lectures, jubilee singers, this town is wide awake and also including the Ladies' Mission meeting held at the church, surely Franklin is a busy place.

Spring is here and the Lenten season is now on. Many are enjoying the quietness and trying to improve the time in odd work before the Lenten term and some have even gone so far as to go forth with broom and mop and applying into every nook and corner.

Alas! the poor men have again upon them the burden of house-cleaning. No getting out of it.

Many in this vicinity will be pleased to hear that W. Hart, of Detroit, brother of Mrs. G. Simmons, who has just returned from a trip through the western states and while there visited the families of Walter and Adam in Denver, Colo., former residents of this place. He found them well but did not meet Walter as he was away to the Pacific coast, and Amos at the Nevada mines.

Miss E. Skinner, a former teacher in the German district, who is at present teaching 16 miles from Blackport, Idaho, writes she has 68 pupils under her instructions, with wages from \$70 to \$75 a month. After the spring term is over she intends going into the mountain district of Montana and teach through the heated term, after which

in August with a party of westerners will visit the Yellowstone Park.

**He Got What He Needed.** "Nine years ago it looked as if my time had come," says C. Harrison. "I was so run down that I could hardly get down that hill he hung on a very slender thread." It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one look in my mirror but Electric Bitters put it back on the turf again, and I've been well ever since. Sold under guarantee at Charles J. Shain's and Cobb & Cobb's drug stores, 50c.

**ROYAL OAK.**

Mrs. H. Tappin has been quite sick the past week but is better now.

Herbert Evans, of Detroit, spent Sunday with his parents in this village. Henry Fort has been making some necessary repairs on his house in this village.

Mr. and Mrs. James Lawson and son, Gerald, of Armada, visited relatives here over Sunday.

Barney Habel, of Amy, was calling on old friends here Monday. Mr. Habel formerly resided here.

Julius Braun has moved his barn back to the lot which greatly improves the looks of the place.

Mrs. Carrie Kenney is building a new house next to her present place of residence. She will occupy the new house when completed and rent the old one.

Charles VanValkenburg and his sister, Gertrude, who has spent the winter with relatives in Chicago, have returned. We are pleased to welcome them back.

Pool rooms have been opened up in the building recently occupied by Charles Lopez as a meat market. Chas. Bundt and Clarence Grundow are the proprietors.

Judge Robert E. Frazer, of Detroit, lectured at the town hall Friday evening on the subject of Local Option. The Judge is a fluent talker and the hall was crowded.

A jolly party of young people swooped down upon Mr. and Mrs. Mark Halley last Friday evening and gave them a pleasant surprise. A very enjoyable evening was passed.

Wedding bells will soon be ringing in our midst and the wedding bells are being reset and placed where they can be easily gotten to furnish music for the receptions that will follow.

William Wilson has moved the wood shed that belongs to his house, to its present place on Fourteenth street, and a little building that he owns and when the work is completed, will occupy it himself, having rented his place on Seventh street.

Thomas N. Doutney, ex-hotel and saloon owner, gave an interesting lecture on Temperance at the town hall Saturday evening. Mr. Doutney was formerly a drinking man and was thus able to speak intelligently on the evils of it, as he saw it.

The remains of Mrs. Fred Morrell, who died at her home in Detroit, March 30th were brought here Friday afternoon and deposited in the Royal Oak cemetery. Mr. Morrell is a son of Fred Morrell, of this township. The sympathy of the entire community goes out to Mr. Morrell in his deep affliction.

He died at her residence in this village, April 2nd, of apoplexy. Mrs. Fred King, aged 88 years. The remains were taken to Big Beaver Sunday, where the funeral was held at 2 p. m., with interment in Union Corners. Mrs. King had but a deep affection, here from Big Beaver. She leaves, besides her husband, six children, three boys and three girls. Two girls are married one being the wife of Lee Campbell, and the other of Mr. Johnson, both of this township.

FOR SALE—Bay mare 12 years old, weight 1200 pounds. Good work horse. Inquire of A. C. Blumberg, Birmingham, Ala.

So long. Henry Miller is on the gain. Clara Blodgett is visiting at Flint, for a few weeks. Mrs. C. Harrison, of Mr. and Mrs. Joseph Croft were in Birmingham last Friday.

Mr. and Charles Whiting were called at Joseph Croft's last Monday. J. Milligan Henning has a new hired man—now look out for spring work.

Oscar Miller on the Fairview farm will seek sold a fine horse to a Royal Oak lady.

Miss Elva Evans visited her grandparents, Mr. and Mrs. J. D. Evans, last week for a few days.

Jerome Johnson is clearing up on the north side of his farm. All the old trees and bushes along the road had to go.

Harry Miller's improving right along and if nothing happens, he will be at work in a few days. Dr. Gae is the Boss.

E. L. Parson is fixing all of his barns in good shape; and, E. W. Simonson and A. E. Smith are helping him do the work.

Alexander Porteous has set up a line fence between Louis J. Mack and himself. Good line fences make good neighbors.

Alexander Purdy and George Stoll, Mr. and Mrs. Paacemakers, around and about Southfield. Election day just the same as on any other day.

Now LaVerne Blumberg is now ready for spring work, with a nice big team, and lots of good help; and he has a bay mare for sale, 1200 lbs. or there.

The republican election last Monday elected their whole ticket, except Highway Commissioner, and our old friend Danny Hughes got left by only 20 votes.

Now James S. Cannon is a happy man he has just installed the telephone in his home, and can now say "Hello!" as well as anybody. If you don't believe it, just try him.

H. B. Wingard, of Detroit, has moved on the Cheeseman farm, and our old friend, John H. Baldwin has moved on the J. B. Wynnepar farm, called the Gravel Ridge farm, where he will hold forth the coming year.

**Death Was On His Heels.** Jesse P. Morris, of Skippers, Virginia, had a close shave of death. He says: "An attack of pneumonia left me so weak and with such a fear of coughing that I nearly gave up. Consumption had me, and death was on my heels. I was persuaded to try Dr. King's Remedy for Coughs and Lung Disease, and after taking two and a half bottles I was well again. I found that this was the best remedy for coughs and lung disease in all the world." Sold under guarantee at Charles J. Shain's and Cobb & Cobb's drug stores, 50c and \$1. Trial bottle free.

**TROY** Merrel and Harry Cross left Monday for Albion college.

Election day was quite exciting, more interest being shown than usual.

The P. D. Cutting family are about settled in Park Cutting's residence.

An Easter program will be carried out by the young people Easter Sunday at the M. E. Church.

The thank offering service was held last Sunday evening. A fine address along the line of famine relief work was given by Mrs. S. W. Stephens, M. D. from India.

The village of Troy was again visited by the angel of death twice in the same week, the same thing occurred in the second week of January. George Clark, who was taken to Kings' hospital recently, died Monday and was buried Wednesday from his late home. Rev. Cross being away, Rev. F. F. Wolf conducted the services.

Friday evening Chaffield Boont was struck with paralysis while mowing his cow. His wife found him unconscious, she thinking he was longer than usual doing his chores. Dr. Spencer was called but death came at 7 a. m. Saturday. He was 70 years and 9 months of age. A widow and one daughter, Mrs. Albert Smith, and four grandchildren survive him. Funeral was held at the home. Interment in Palms cemetery. Rev. Cross officiating. Memorial services were held at the Troy church Sunday a. m. The two pewes being draped in mourning and special music was rendered benefiting the sad occasion.

**This May Interest You.** No one is immune from kidney trouble, so just remember that Foley's Kidney Cure will stop the irregularities and cure any use of kidney or bladder trouble that is not beyond the reach of medicine. All druggists.

**REDFORD** Miss Anna Parent is still on the sick list.

F. L. DeNo's new implements building is rapidly nearing completion. George Cross has returned from Ada, Ohio, where he has been attending college.

Mr. and Mrs. George Sherman, of Pontiac, called on a few Redford and Southfield friends this week.

The Ladies' Aid held at the home of Mrs. S. E. Dabois was well attended not withstanding the disagreeable day.

We are glad to hear that Mr. and Mrs. Thomas Roper arrived at Somers, Mich. where they expect to reside with a son for a year. They state the crops are already very nicely planting their crops.

**Notice of Letting of Drain Contract.** Notice is hereby given, that I, James S. Butler, County Drain Commissioner of the County of Oakland and State of Michigan, will on the 15th day of April, A. D. 1908, at the residence of George Henkleman, in the Township of Troy, in said County of Oakland, at one o'clock in the afternoon of that day, proceed to receive bids for the clearing out of certain drain known and designated as "Warner Drain," located and established in the Township of Troy, in said County of Oakland, and described as follows, to-wit: Commencing on west side of highway at the southeast corner of Section 35 and 34—a total distance of 775 rods, and ending at the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods; thence west to the northeast corner of Section 35, a distance of 114 rods; thence north to the northeast corner of Section 35, a distance of 114 rods; thence east to the northeast corner of Section 35, a distance of 114 rods; thence south to the northeast corner of Section 35, a distance of 114 rods;
