OAKLAND COUNTY MEN HONORED.

A chapter of the Phi Beta Kappa, the oldest and most Amous of all college Societies, has recently been established in the University of Michigan. High scholarship in college is the basis of admission, about ten percent of the graduates and of each sensor class of the literary department being elected of the recommendation of the faculty. Our fellow townsman, Mr. A. P. Jacobs, is one of the seven men chosen from his class, and Prof. Hull, of the Orchard Lake Academy, is also a member. Both attended the first banquet pf the society at Ann Arbor last Saturday [evening.] Mr. Jacobs says the organization preminds him of the Orkepo club—but he won't tell why.
