CONSUMPTION

What an Authority Says... Remitting is probably the best and the combination thereof, and he states in his certificate of Pharmacy that 'Cod Liver Oil is used principally as a patient and liberative in wasting diseases, notably PHthisis. This trouble is, as we all know, the dread white plague so-called Consumption. The ordinary pure oil is factory, but with a great many it is found too greasy to be endured... The remedy we have here is a combination of the best of all... It has only lately been discovered that there is a process whereby the Extracts of the fresh Cod Liver can be made, which, when dissolved in light wine and with the addition of the well-known Hypophosphites of Lime, Soda Potash and Magnesia, forms a palatable and best of all adaptable preparation of the Cod Liver Oil that is readily assimilated and more active than the ordinary oil. Richfield's Cod Liver Oil Extract with Tonic Hypophosphites is the most scientific and best of all preparations of the oil. If you are subject to loss of flesh, night sweats, obstinate cough, chronic Consumption or wasting disease of any kind, you will find a wonderful relief on our bottles of Richfield's Cod Liver Oil Extract with Tonic Hypophosphites. There is a full description for every ailment and a full list of DRUGGISTS IN EVERY TOWN. Sold locally by Chas. J. Shain, the Richfield Druggist.

PARDRIDGE & BLACKWELL... 'PAY LITTLE' Means Too Often 'GET LITTLE' - Be On Your Guard... 'Pay little' is the bait that draws thousands of people into cheap stores... As a rule the store that does the 'largest' business in the community is the store that gives the most for one's money... When it comes to the volume of business done, PARDRIDGE & BLACKWELL's stands in a class of its own in Detroit... We do not hold out the bait of 'Pay Little-Get Much,' but we do say that paying little for goods in this store brings a larger and more satisfactory return, as a rule, than in other stores. Be Sure to See Us for Furniture and Housefurnishings
