LIMA

Mrs. James Edgar was at Detroit on Thursday.

F. G. Tucker has added about 12 feet to his chicken coop.

William Hanna is having some of his farm buildings shingled.

The J. M. Beddow School was opened Tuesday by Miss Cox, of Farmington.

Miss Dallas Prince, of Wakeman, Ohio, is the guest of Miss Pearl Beddow.

John McClelland has a new corn harvester. And now you just look out for John.

Miss Margaret Connors, of Detroit, Mrs. Lottie Cavanaugh, for a few days last week.

Mrs. Frank Render is entertaining her mother, Mrs. Wilson, of Detroit, for a week or two.

Mrs. A. C. Perrin has just returned from Lapeer, where the Advents held their campmeeting.

Miss Margaret Young is teaching the Parker School, and woe be unto the kid that don't mind.

Harry Saltzer is having his little place fixed up. A nice big cistern and other improvements.

Joe Pritchard has just finished roofing over his kitchen, and now Joe says the rain can't get in.

L. J. Haack is getting ready to rebuild his tenant house. He will make it modern in every respect.

Born to Mr. and Mrs. William Maxwell Saturday, a fine girl. Mother and baby doing nicely.

Nelson Russell had a surprise party last Tuesday, and the large number participating had a good time.

Miss Iva Felder has commenced her school for the second year in the Erity district. The enrollment was excellent.

There will be a good crop of corn this year. It is being cut three weeks earlier than usual, and all good corn.

School in District No. 7, Southfield, opened last Tuesday with a good attendance. Miss Vina Purdy will be at the helm for another year.

George Huston and George Johnson returned last Saturday from the Toronto Fair. Now the boys say they had the time of their lives.

Mrs. John Sparling is entertaining her father and little sister from Ubley. They will attend the State Fair, and visit here two or three weeks.

F. W. Young and family returned home last Monday from a three-weeks automobile tour through York State and Canada. "Now for business," says the Doctor.

John D. Benjamin has been on the sick list for the past six weeks, but is able to get around again. He missed the G. A. R. encampment, the first time in many years.

Preston Bell, of Remo, and Grandma Bell drove over to his George Henning's last week, and on Friday George and Preston attended the State Fair, where the cousins saw the elephant.

Frank P. Townsend and good wife, of Detroit, who bought the William West farm, are working hard to get settled, and if they have good luck, in a week or two will be full-fledged farmers.

Mrs. A. N. Woodruff and little daughter, of Watervliet, are visiting her parents, Mr. and Mrs. J. S. Cannon, for a few weeks, and grandpa says everybody is happy at the old farm home.

Well, Uncle John Keyser had something under his hat for the past three months, and that was a brand-new hog pen. John says, anything but pigs and hogs running the road. Now, this hog pen will be a dandy—cement bottom, first story cement, and the second of lumber. Now you ask Uncle Bill Buffmier to let the good work go on.

A Sure-Enough Knocker.

J. C. Goodwin, of Reidsville, North Carolina, says: "Bucklen's Arnica Salve is a sure-enough knocker for ulcers. A bad one came on my leg last summer, but that wonderful Salve knocked it out in a few rounds. Not even a scar remained." Guaranteed for piles, sores, burns, etc. 25c at Charles J. Shain's and Cobb & Cobb's drug stores.

AT THE THEATRES.

LYCEUM.

The annual favorite, Miss Rose Melville, will come to the Lyceum next week, commencing Sunday afternoon, in her delightful and entertaining impersonation of the quaint Posey Country girl, "Sis Hopkins." The homely sayings of this philosophical creation, her quiet comedy, lovable disposition, and the absence of all artifice in the characters of the play, has made "Sis Hopkins" one of the great American plays or comedies. This is Miss Melville,s tenth season, and it is said it will be her last, but no matter what other character she might undertake in coming years she will be more distinctly remembered as plain, ordinary "Sis," she with the straight pigtail, striped stockings, gingham dress and awkward manner.

The engagement opens with a Sunday matinee, in addition to which the regular Wednesday and Saturday matinees will be given.

WHITNEY.

"Sold Into Slavery," a vivid picture of the wrong practiced by many mothers in forcing upon their daughters undesirable husbands because of wealth or social position, will be offered at the Whitney next week, commencing Sunday afternoon. The piece is described as a varied romance of sunshine, sorrow, love and laughter. The principal characters are those of Kate Metz, the beautiful daughter of Adolph Metz, a kind old German engraver; Austin Rogers, a gray-haired libertine and Robert Drummond, the lover of Kate. Kate's step-mother, encouraged by money, enforces Kate into a marriage with Austin Rogers, a marriage which results unhappily and which the girl refuses to live up to. The evil mind of Rogers, however, provides a scheme whereby her pride forces her into his arms. Thrills, comedy and big scenic effects are all promised for the production.

The engagement is for one week with matinees daily except on Wednesday.

How to Get Strong.

P. J. Daley, of 1247 West Congress Street, Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it's my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Charles J. Shain's and Cobb & Cobb's drug stores. 50c

FOLEY'S KIDNEY CURE
Makes Kidneys and Bladder Right

Nervous Break-Down

Nerve energy is the force that controls the organs of respiration, circulation, digestion and elimination. When you feel weak, nervous, irritable, sick, it is often because you lack nerve energy, and the process of rebuilding and sustaining life is interfered with. Dr. Miles' Nervine has cured thousands of such cases, and will we believe benefit if not entirely cure you. Try it.

"My nervous system gave away completely, and left me on the verge of the grave. I tried skilled physicians but got no permanent relief. I got so bad I had to give up my business. I began taking Dr. Miles' Restorative Nervine. In a few days I was much better, and I continued to improve until entirely cured. I am in business again, and never miss an opportunity to recommend this remedy." MRS. W. L. BURKE, Myrtle Creek, Oregon.

Your druggist sells Dr. Miles' Nervine, and we authorize him to return price of first bottle (only) if it fails to benefit you.

THE ECCENTRIC
25c FOR 3 MONTHS

Mr. Farmer—YOU—
can build this Concrete Silo Yourself

NOTHING can equal a concrete wall for ensilage purposes. Fodder retains all nutriment, full weight and value, when kept in a concrete silo. If you will use a standard cement which runs uniform—the same in every bag—you can be sure that any concrete wall you build will be as good as an expert concrete contractor can build for you.

You cannot afford to take chances. You have no means of testing cement. Buy only Egyptian Portland Cement—for sale here in your own town—by a dealer you know—who can tell you that any wall or structure properly built of Egyptian Portland Cement will test higher than the United States Government Standard.

Concrete Silo

Egyptian Portland Cement

Is made next door to you—at Fenton, Michigan, fifty miles from Detroit—giving us shipping facilities which insure you prompt deliveries of any quantity—one bag or a thousand—at a saving of freight bills.

Cement contractors—sidewalk builders—farmers—architects—home builders and owners—road supervisors—whether on new construction work—odd jobs around the farm and home—town-ship culverts or bridges—the one safe Portland cement to use is Egyptian Portland Cement. Tests 15% higher than the United States Government Standard—never varies—meets all price competition—is for sale here in your own town. Ask for full information regarding the uses of cement, prices, and descriptive literature or address the manufacturers.
