Egyptian Cement Saves Money

The theory of concrete is this: Sand fills the voids between the pieces of broken stone—cement fills the voids between the grains of sand. Water added to cement makes it adhere so that it hardens and binds together all the sand and stone it touches.

So, fineness in cement is the real test of quality. If it were coarse it would not cover all the surface of each void of sand—there would be voids in the cement itself—any of course—but enough to affect the strength of your wall. For there would be voids around each one of the millions of grains of sand. The aggregate—rock—sand—cement—must make one solid—non-porous mass.

Chemists and engineers have found that if 100 lb. of cement is used in a concrete mix through a screen having 60 mesh to the sq. in., the voids will be covered.

Herbert Portland Cement, sold here as "55," is better than any other. It is made in a special way so that it will adhere to the surface of each void of sand. The aggregate—rock—sand—cement—must make one solid—non-porous mass.

How to Get Strong.

P. J. Daley, of 1247 West Congress Street, Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and the blood is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney troubles. It is guaranteed at Charles J. Shain's and Cobb & Cobb's drug stores. 50¢

W. H. Garnett, a colored man who operates a small place just south of this village, took in a young negro who was out of work and claimed to be looking for a job. Everything went along smoothly for several days; the stranger taking an active part in the work. Until Wednesday, when Mr. Garnett went to the fair grounds with a load of farm produce leaving the stranger at home alone. On his return he discovered that a trunk in the house had been broken into and the stranger had disappeared. So he called the w. o. out for his arrest but as yet the stranger has not been located.

Died at her residence in this village, Wednesday morning, after a long and painful illness, Mrs. C. M. Newton, aged 68 years. Mildred Reynolds was married to Gilbert M. Newton, 33 years ago at Royal Oak. She is survived by her husband, and three children, Mary A., Mrs. B. S. Newton, of this place, and Dr. E. I. Newton, of Detroit. The deceased was a woman of most estimable character and by her kind and loving disposition had endeared herself to a host of friends and community where she had lived all her life. The funeral was held from the home Friday at 2 o'clock. Interment in Royal Oak cemetery.

The community was deeply shocked this morning by the announcement of the death of Julius Braun, of this village, and also the death in Detroit, of his son, August, both dying within two hours of each other, the elder Braun dying from enlargement of the liver and the son from typhoid fever at Mrs. Braun's hospital, Detroit. Julius Braun was born Nov. 9, 1853, at Mumliswil, Switzerland, and was married, May 5, 1876, to Victoria Webber, at St. Mary's church, Detroit. Seven children blessed this union. He was a member of the U. P. church and one of five of whom are alive, three boys and two girls. He was very prominent in church and society circles here. He was a member of Branch No. 42, C. M. B. A., of Detroit. The funeral was held from St. Mary's church in this village, Wednesday morning, at 10 o'clock, with interment in the family lot in Royal Oak cemetery. Mr. Braun came to Royal Oak 26 years ago and has been more or less interested in the political affairs of the village ever since it was incorporated. What makes these deaths all the more sad is that this makes the fourth death in the family in as many months. The elder Braun and his children are heart broken over this sad affair and all that loving hearts and hands can do is being done to comfort the family in their deep affliction. August, the son, was born August 18, 1885, in this village, and was a very estimable young man. He leaves a widow to mourn his untimely end. About two weeks ago he was stricken with the fever and was taken to St. Mary's hospital, but he was unable to withstand its ravages. His funeral will occur at the same time as his father's.

They Take the Kinks Out.

It Costs Nothing

To find out for a certainty whether or not your heart is affected. One person in four has a weak heart; it may be you. If so, you should know quickly, and save serious consequences. If you have short breath, fluttering, palpitation, if hungry spells, hot flashes; if you cannot lie on left side; if you have fainting or smothering spells, pain around heart in side and arms, your heart is weak, and perhaps diseased. Dr. Miles' Heart Cure will relieve you. Try a bottle, and see how quickly your condition will improve.

"About a year ago I wrote to the Dr. asking advice, as I was suffering with heart trouble, and had been for two years. I had pain in my heart, back and left side, and had lost weight and a deep breath for two years. Any little exertion would cause palpitation and I could not lie on my left side without suffering. They advised me to try Dr. Miles' Heart Cure and Nervine, which I bought and used. I am now in better health than I ever was before, and have lost 15 pounds. I commenced taking it. I took about thirteen bottles of the two medicines, and haven't been bothered with my heart since."—L. L. LITZ, Troy, Mich.
