SYNOPSIS.

"Vanishing Fingers," a story of "what might have happened" in the East...

CHAPTER XI.

With a salute, his equerry handed him the message.

With a Salute, His Equerry Handed Him the Message.

The secret service man had already become convinced that the fugitive belonged within the city...

London had lived so long in misery that it had become callous, hardened, and enveloped in an air of gloom...

surprised him and over the program, paying but scant attention to what it contained...

"The great evil of the event," he leaned back in his cushioned chair, his mind again reverting to the vicissitudes of government.

"The king was motionless and speechless for what seemed a long time. From his viewpoint of head of a nation and bound to maintain its dignity...

HORRORS!

What's the trouble, Zumbo? "I thought it was missionaryary, but it's a lot of Altruism."

Chinese Idea of Government. Here is a Chinese idea of prosperity in a nation...

Marriage Service Defined. A Boston civic of the female persuasion defines the "marriage service" as "wallowing on one's bed and master in the capacity of cook, laundress, seamstress and maid-of-all-work."
