

Puppy love that leads to man slaughter is the most idiotic kind. Many blondes are so perverse as to refuse to go insane by any act.

Whelmina thinks the whole country of Holland isn't nearly so important as the baby.

Good sense and a spirit of fair play are the proper equipment to take into a strike conference.

Oh safe philosophy! You are a stander in the case of Columbus who is something else.

Hollis is looking for war and yet so far as is known, it is not a single airship. Such unpreparateness!

The reason why the equinox is no storm is that the clouds are not so apt to be rough and ugly when it is crossed.

The poor man is happier, after all, than an eastern writer. He is happy because he does not have so much enjoyment.

A Cleveland judge has ruled that a husband need never die the death still, sometimes he likes to keep peace in the family.

A Canadian soldier has claimed 130 acres of land or ice at the north pole. The ice trust will be sorry if it did not see those acres of ice first.

In turning to look at two pretty girls a man out in Evanville, Ind., nearly broke his neck. How fatter the young women must have felt.

King Edward was hurried to be opposed to automobile racing. This ought to make the state of New York much safer than they were before.

The custom appraisers at New York are confronted with a puzzle in being required to appraise the value of the forming cats are made whether the difficulty is increased, as the question is—so to speak—a purr-emption one.

Admiral Lord Charles Borelago's plea for a complete re-organization of his troops against war is as far as it goes, but why stop there? Why not include Germany rather than Britain in the talk of "red ahead" and other affairs which will be a natural defensive military creature?

A school board in New Jersey wants simplified cooking in the schools. This plan will cut out oyster patties, deviled chicken, baked beans, macaroni and quettes, chocolate sauce, ice cream and the like dishes. If the school children have been living on such all their lives, it is no wonder that they feel that a simplified diet is in order.

Marconi is to build a new plant. It is about time for electricity to be troubled in this wonderful and rapid age that is wondrous become ordinary matters so soon and the insatiable desire keeps trying for more. The old attitude of disbelief in the old ether came down for more wonders yet.

A European custom which can be very well dispensed with in this country is the cheque which has to be signed by the holder. The discovery lately that this industry had quietly followed by its suppression. Abroad it is a custom, but here it is a species of blackmail and property to be treated as such.

It transpires that two suspected cases of cholera in a British tank steamer from Rotterdam which was detained in quarantine at Plymouth were nothing more than cases of indigestion caused by Dutch cheese. Some of the cheese made in the United States is strong enough, to be suspected of anything in the form of illness or epidemic.

Vice Admiral Uryu of Japan, who is visiting this country and is called "the American warship," of the battleship Connecticut, which is being crabs about the world, he gave the best all-round fighting machine he used in the war. The great scores made with the big guns were a practical practice because the admiral he was for Uncle Sam's ships and men.

Russia cannot expect to be taken out of the class of barbarous or half-civilized nations while its government permits shackles to rest of the world. The outcry which arose after the last election should have taught the government a lesson; but it is not of the kind whose intelligence comes as to learn.

There is no such thing as an equatorial storm, as the scientists say. There are no such things as "scientists," as the latest sufferers from equatorial storms.

It has been a favorite state device among certain classes of performers to throw a light upon some one of the great names in the history and sing at him or her. Since a Philadelphia man went on the stage and thrashed the mark that practice has not seemed so funny.

Dr. Elliot says that the fear of hives doesn't keep people from getting hives. Perhaps it is the fear of Madame Grundy and the fear of the jail which allows and causes the forms of punishment which are more imminent.

The announcement that plans are being made for the erection of a house of representatives building for a Chinese parliament is a pleasant remark by the fidelity and constancy with which the policy is being forwarded to the complete establishment of a constitutional system.

DENY RESPONSIBILITY FOR THE STATE'S LOSSES BY GLAZIER.

A DIVIDEND DEAL MADE

Latest Phases of the Glazier Failure Show the State Has a Law Battle Coming.

Creditors of Frank P. Glazier, bankrupt (Chelsea financier, and former state treasurer, will receive their first checks this week. The agreement with the Chelsea Savings bank surrenders its preferred claims to the \$180,000 in mortgages on the Blodgett terrace in Detroit and the Taylor building in Chicago, which were ratified by Judge Swan at the suggestion of Judge in Bankruptcy David C. Rice. It is clear for the instant disbursement of the \$180,000, which will be paid out by the Security Trust Co. as trustee.

Under the plan of the mortgage, the Chelsea bank comes in for that amount among the general creditors, and receives \$5,000 therefrom. The claim of the state for \$225,000 in deposits, and a hearing before the state judge is expected in November. The trust and the principal creditors take the position that they must have their claims paid, but must look to Glazier's bondsmen for payment.

Bonding companies are the Glazier bondsmen. They have been making a better fight against payment of the amount yet the state they insist that the state should pay with the security of the state and that the state should be made aware of methods practiced in the Chelsea institution. They insist that the state should not know of conditions at Chelsea. They also insist that the state should not know of conditions at Chelsea that they cannot be held responsible.

Railroads Make Money.

According to a preliminary report of the earnings of the railroads for this state for the period ending June 30, 1914, the net income of the state railroads, exclusive of the state-owned lines, was \$1,200,000, an increase of \$1,276,338 from the same period of last year.

The net earnings of steam roads amounted to \$5,267,119, which is an increase of \$1,276,338. The net income of the electric roads was \$431,093,22, or an increase of \$89,916. Miscellaneous earnings were \$1,200,000, or an increase of \$25,435.75. The net income for the quarter was \$14,211,000, an increase in earnings of \$1,852,903.75.

Sanborn Planners Sign.

The salary dispute between Frank Nix, chief of the Sanborn fire insurance club, and Hugh Jennings, manager and Texas Cook, star outfielder of the Detroit Tigers, was settled Saturday at noon when the signatures of Jennings and Cook were attached to a check for \$10,000, the amount of the Detroit club's share of the Detroit Globe-Mirror appeared at the office of the Detroit club, a sign to come.

Jennings, it is understood, signed a check for a salary of \$6,000 and called for \$6,000 a year. The highest salary any member of the team. He probably received more than that. It is expected that Jennings will receive \$10,000 a year. Jennings has been in the Detroit club since 1910.

Found Alien Guilty.

Contrary to expectation, the jury in the trial of Ann Allen, who shot and killed William Miller, a Detroit fireman, found her guilty of the crime. She was sentenced to a term of years in the state prison.

Wife Admits Guilt.

Wife Admits Guilt. The wife of a man who was shot and killed in a quarrel at Plymouth was nothing more than a case of indigestion caused by Dutch cheese. Some of the cheese made in the United States is strong enough, to be suspected of anything in the form of illness or epidemic.

Illness of Convicts.

The Illinois state Wednesday noon ceased its connection with the Michigan state prison, its contract having been cancelled. This leaves the prison with a lot of life prisoners, who will have to be found homes for. The Michigan state prison is being run by the Michigan state prison.

To Open Up Great Areas for Michigan Farmers.

Extensive plans for booming the upper section of the Michigan peninsula, being framed by the people of that section for the purpose of bringing to the attention of homeseekers and farmers the opportunities there for engaging in farming in any of those countries. Assistance will be given the homeseekers by the state domain commission, which has been authorized to provide for it to aid in including immigration to this state.

These so-called pine barrens which used to be regarded as worthless, are producing some of the finest fruits and other crops in the world. The Michigan state domain commission, which has been authorized to provide for it to aid in including immigration to this state.

Under the proposed plan authority has been secured from the railway commission by the state to provide a train which will be loaded with the pine barrens. The Michigan state domain commission, which has been authorized to provide for it to aid in including immigration to this state.

The Michigan state domain commission, which has been authorized to provide for it to aid in including immigration to this state.

MICHIGAN BRIEVITIES.

Because her father-would not allow her to go to church, Stella Bassett, of Allegan, took poison but will recover.

The public domain commission has announced that a sale of state lands in Saginaw, December 1.

Saginaw has installed an auto patrol wagon, and the first "job" was to enforce the law.

John J. O'Brien, superintendent of the Michigan state prison, will meet in Detroit, Michigan, this afternoon.

Charles Bowman, a farmer who lives near Saginaw, Michigan, has been struck with heart disease.

John H. Gates, of Chatham, killed a bear in the woods near his home. The animal weighed 400 pounds and is believed to be the largest ever killed in Michigan.

W. R. Hart, Saginaw's millionaire benefactor, gave \$10,000 to the superior court for the erection of a bridge over the Tittabawassee river.

A wife of J. Jackson, a veteran of the Civil War, died in the city of Adrian. He is survived by a widow and three children.

The 3-year-old son of A. B. Scott, of Port Huron, was attacked by a large bear in the woods near his home. The bear was killed and the boy was rescued.

The Saginaw and Bay City militia companies are to be organized in the near future.

Arthur Allen, accused of assault, was left in a Kalamazoo court room by the young fellow who had been charged and walked to the judge's office.

James Chisholm, the Jackson convict who was convicted of the murder of a woman, was sentenced to a term of years in the state prison.

The board of supervisors of Aracoma county, in view of the number of people who have been killed by the influenza epidemic, have decided to put the influenza epidemic to a vote at the spring elections.

Mrs. J. Rosenbalm, of Sank Elgin, Michigan, died of a heart attack. She was 60 years of age.

Early Tuesday morning Ad-Gon Pomeroy, a Detroit fireman, was shot and killed by a woman who was with him at the time.

McGillivray was sentenced to serve 30 days in the Michigan state prison for a violation of the law.
