Convulsions, or Spasms and St. Vitus' Dance are Nervous Diseases. Most cases can be cured by strengthening and building up the nervous system.

Do this a nerve medicine is needed. Dr. Miles' Nervine will be found efficacious and satisfactory. It has cured many cases of these diseases and we believe it will cure you. We can give you names of many who have been cured through its use. Write for advice.

Probably everybody in town on Monday February 15th, will find their way to the Howard Theatre, Pontiac, to witness "A Knight for a Day," the big musical gaily to be seen there for the first time.

The big, gray, "glo-gaw," is the way some of the poets describe the production. The three cities named say its girlriness is pronouncedly lively, youthful and fair to look upon.

Two surprising spectacular sensations are accorded to the production—one a giant sea-saw of many beams, a thousand lights and scores of teetering Tomboy girls, the other, a grand curtain whose fabric is electric, woven in tiny incoherence, var-colored crystal bulbs.

Revolution at Cold Steel. "Your only hope," said three detectors to Mrs. M. E. Fisher, Detroit, Michigan, coming from several months of trouble "lies in an operation." "Then I used Dr. King's New Life Pills," she writes, "and wholly cured." They prevent appendicitis, cure constipation, headache, etc. at James W. Cobb's and Charles J. Shain's.

AT THE THEATRES. LYCEUM. At the Lyceum, lovers of the drama will be offered an unusual treat at this theatre all next week, when Thomas E. Shea will play a week of repertoire, supported by a strong company of players.

At Whitney's the most ingeniously written melodrama of railroad life admist the Rockies is the new production which the Klint & Gazoilo Amusement Co. have sent forth this season called "The Rocky Mountain Express."

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. If the stomach nerve, or it may be the heart or kidney, it was Dr. Shoop's Restorative that has been the old-fashioned method is all wrong.
