Indigestion

Stomach trouble is but a symptom of and not itself a disease. We think of dyspepsia, heartburn, and indigestion as one disease, yet they are distinctly different. It is this fact that first convinced Dr. Shoop of the necessity of his Restorative. Being directed by the stomach nerve, alone through that nerve and labor to Dr. Shoop and his Restorative. Without the original and highly vital principle of the stomach nerve, no medicine could ever be had. Stomach trouble, indigestion, heartburn, breath and yellow complexion. Try Dr. Shoop's Restorative. It will cure you for good. What it cannot do, we sell and cheerfully recommend.

The Difference

THERE'S a heap of difference in lumber, but people generally don't stop to think about it. They look upon one pine board as just the same as another, no matter whether one of them is "punky" and full of pine knots. We sell the better grades of lumber, and when you buy here you get

Ha-San Rheumatic Remedy

We want a letter from every man and woman in America afflicted with Rheumatism, Lumbago or Neuralgia, giving us their name and address, so we can send each one a trial treatment of our Rheumatic Remedy. We want to convince every rheumatic sufferer at our expense that our Rheumatic Remedy does what thousands of so-called remedies have failed to accomplish—actually cures Rheumatism. You cannot coax Rheumatism out through the feet or skin with plasters or cunning metal contrivances. You cannot tense it out with liniments, electricity or magnetism. You cannot imagine it out with mental science. You must drive it out. It is in the blood and you must go after it and get it. This is just what Ha-San Rheumatic Remedy does and that is why it cures Rheumatism. Rheumatism is Uric Acid, and Uric Acid is Ha-San Rheumatic Remedy cannot live together in the same blood. The Rheumatic Remedy has to go and it does go. Our treatment cures the sharp, shooting pains; the dull, aching muscles; the hot, throbbing, swollen limbs, and cramped, stiffened, useless joints, and cures them quickly.

A FULL TWO-WEEKS TRIAL TREATMENT

We want you to try Ha-San Rheumatic Remedy to learn for yourself that Rheumatism can be cured, and we want no profit on the trial. A fair test is all we ask. If you find it is curing your Rheumatism or Neuralgia, order more to complete a cure and thus give us a profit. If it does not help you that ends it. We do not send a small sample containing only a few tablets and of no practical value, but a full two-weeks treatment. You must send us 25 cents to pay postage, mailing and packing, and this full two-weeks treatment will be promptly sent to you free, everything prepaid. There will be nothing to pay on receipt of letter. Don't wait until your heart valves are injured by Rheumatic Poison, but send today and get a two-weeks treatment free. Only one free treatment to a family, and only to those who send 25 cents for charges. For sale by first-class druggists or
