HOME NOTES

Five acres of oats, first of the season, sowed on the Quanton farm. Mrs. Shotwell entertained the B. Y. H. Tuesday evening. All had an enjoyable time. Shain's drug store window is very nicely decorated for Easter. See the bunnies. The matter of a motto for our village will be held open till April 15. In the mean time, make suggestions. Mr. Haines, at the depot, will be glad of some rose bushes and some hardy shrubs for the depot grounds. Mrs. Wylie Bell has a beautiful display of hand painted china in Shain's window. It's worth a trip up town to see it. FOR SALE—Two sound draft horses, weight, 1450 and 1760, five and six years old. Kind and true. Albert E. Quanton. The ladies of the M. E. church will give an Easter supper in the parlors on Friday, April 9. Supper 25 cents. Mrs. Margaret Parks has lost her dog, a black collie, with yellow legs and answers to the name of Duke. Please return Duke at once. Have you noticed Taylor Bros. new electric light sign? This is the very first electric sign ever displayed in Birmingham and it certainly is a beauty. The entertainment, with play, to be given by the Young Women's Guild of St. James' church, is postponed until Friday evening, April 23. Don't forget dancing afterward. Mr. and Mrs. William Brown and family wish to thank the many friends for the sympathy, assistance and the floral offerings which were rendered them in their recent bereavement. There will be a special meeting of the Birmingham Memorial associations at Mrs. Bookhams Monday evening, April 12, at 7 o'clock. All members are requested to be present. Mrs. Eva Jenks, secy. For sale at a bargain, a three year old colt-city broke, a good as new Dunlap top buggy and a good single harness. To examine and get particulars see Henry Sisker, or call up phone number 70. Mrs. Barbara McKay, of Guelph, Ont., is a visitor with her daughter, Mrs. Albert Quanton, where she is taking lots of comfort and happiness with her daughter, to say nothing of the grandchildren. Our advertisers all get a benefit this week. A circulation in Royal Oak and vicinity, of 600 extra copies of this issue, distributed on account of the Royal Oak Lumber & Supply Co.'s big business boom edition. Miss Clara McKay, of Guelph, Ont., was the guest of Miss Thie Walker last week Thursday and Friday. Of course this planet, pleasing and interesting young lady took in the Stearn's musical. To be sure she did. The many friends of Mr. and Mrs. W. H. Wood regret their departure for the west. Their home in the future will be at Massouella, Mont. Mr. Wood will become a stock ranchman and we hope he will achieve his fondest hopes. Mr. and Mrs. W. H. McClellan are now cosily settled in one of the Stearn's cottages. Mr. McClellan is the new superintendent of the D. U. R. and likes the town, the job and Birmingham people very much and we all recip.

Do you want to get rid of it? If so, take Dr. Miles Nerve Tonic as directed in pamphlet around bottle. In addition to the direct curative properties it has a soothing effect upon the nervous system by which the rheumatic pains are controlled, and rest and sleep assured. It has made many cures of this painful disease, some of them after years of suffering. If it will cure others why not you. If your case is complicated, write us for advice, it costs you nothing and may save you prolonged suffering.

It was so crippled that I could scarcely walk. After having my shoes on for an hour or two I could manage to walk by suffering the pain. Then I began to have pains all through my system. My doctor told me I had an acute attack of inflammatory rheumatism. I read about Dr. Miles' Nerve Tonic, bought a bottle and I commenced to get better from the start and for the past six months have scarcely any pain, and am able to walk as well as ever.

Your druggist sells Dr. Miles' Nerve Tonic, and we authorize him to return price of first bottle (only) if it fails to cure you.
