A banquet was given by the society to swell the amount of funds to a good sum. The July meeting will be at the home of Mrs. Hattie Evans, near Wing Lake. All are cordially invited.

The miscellaneous shower given by Miss Grace Wallstead at her home in honor of Miss Ethel Gravelin and Miss Edna Conroy, of Sausalito, Cal., was well attended and the presents were numerous as well as useful, from their many friends. The marriage of these two young ladies will take place during the month of roses. Best wishes for future happiness.

It is reported that one of the most unique June weddings will soon be solemnized at the St. James' church in Birmingham, when the marriage of Miss Charlotte Blanding, one of the most popular young ladies of that place, to Mr. Knox Poppleton will take place. Many luncheons and showers have already been given in honor of the young bride and her bridegroom.

Decorations day was well observed here on Sunday, May 31. Services were held at the M. P. church by Rev. Jamieson, of Birmingham, reminding us of the soldiers who went forth to fight, and many of them fell for their country. It is well that we honor the memory of the boys of the blue and the gray. Bitter foe man once, but now brothers to whom we should pay the greatest respect.

ALL OVER

Edwin Chatfield is not as well. Many a field of corn yet unplanted and it is June 7. A bad streak of luck, Wm. Milton lost a good horse last Saturday.

The thoughtless fooling sometimes goes too far, but has no real harm in it. A rain storm from the east and cooler, with more showers through the week. Mrs. Colonel Roberts, of Detroit, is enjoying country life at Davenport in Troy.

The prevailing clouds with plenty of rain for this week and hot the last of the week. Mrs. Charles Wortman is soon coming from Milford, and they will live in her home at Clawson. Joh. Wier and family, of Birmingham, visited his brother-in-law, Harmon Busch, in Sterling, last week Saturday.

Adam Reid, Jr., of Clawson, attended the funeral of Asil Blair and went with the funeral car to Northville, where interment was made Sunday last. Procrastination means putting off till tomorrow what ought to be done today. It steals your happiness, usefulness, health and oftentimes a miserable being, even with all his striving to be somebody and to regain his loss.

Are You Sick?

Much sickness is due to a weak nervous system. Yours may be. If it is, you cannot get well until you restore nerve strength. Your nervous system is nature's power house; the organs of your body get their power from it.

"I was given up to die by a leading doctor, but one of Dr. Miles' Nervine bottles found that Dr. Miles' Nervine fit my case. From the very first dose I got better. I am better now than I have been for years, and do all my own work on the farm. That is what Dr. Miles' Nervine has done for me, and I am glad to recommend it to my neighbors."

JOHN JAMES, Riverport, N. Y. Year ago I was very sick, and was told to die (only) if it fails to benefit you. Miles Medical Co., Elkhart, Ind.
