The M. & M. field is not only larger than usual this year, but it contains more fast forest than have taken part in any ope renewal. Sonoma Girl set the record at 200 je when she beat Highball two years ago, and while it is asking much of a green trotter to even equal tant mark, the early work of the candidates indicates that a number of them have the ability. One of the entrants, Denver, age gedding foaled and developed in Michigan, trotted a mile in 258 km middle of June. Another beat 259 and half a dozen came between that all 2:11. This is exceptional work for the season, and as all of the horses now are sound and full off life, there is every are sound and full of life, there is every eason to look for something sensation when they meet on the big track

Detroit.

Trainers have not been urging their horses to these great flights of speed in June, but the trotters and pacers are so far advanced that the task is well with in their powers. Evidently Detroit is going to set the pace for the whole country this year and leave little that even later meetings can better.

The bridal party consisted of the lowing. Miss Grace McBride, maid of hom.
