the great temples in Japan," said Miss Thursby. Lady Warvick says she dopsn't believe in losts at all, but she was very much impressed the appearance of her titled name when her became a reality." It think I shall design book plate out of it. That youldn't be a bad down the counters added as she way that strong, bold writing that formed, her mature.

idea, would it?" the countess added as shedwayed the strong, bold writing that formed her
signature.

Commo Dart Gordion was enchanted with
the control of the control of the control of the
datest and ghost-collecting has become such
a fad with her that she has purchased a dozen
the little volumes for her friends. "I put my
gloost in each one and I suppose I must be a
woman of a number of selves or else there are
a number of warring shoats in my ancestry, for
each one of my signatures produced a ghost so
totally different from the others that one would
annee and handwriting. But I am rather pleased
with the idea, for what is more proasic than lack
of variety? I have made my fortune by original
and diverse designs in the making of frocks,
said the titled dressmaker, "so why shouldn't
my ghost signatures portray the characteristic."
When Mrs. Ellion 'Glyn, author of 'Three
Weeks," had made her ghost she thought that
bore some resemblance to a tiger and eagerly
boilined out its class. "The tiger is essentially
bore some remarked Mrs. Glyn. "Hence my
tiger ghost. Paul would be pleased with that,
wouldn't he?" she added with a smile.

mearly one o'clock and not a word was said about the window or the play wright's strong right arm;

For a man of his brusque threats Mr. Shaw has a very mild and diminitive-looking ghoat.

Hallle Erminie Rives has a ghost that might and choose and anything close.

"Perhaps it is meant for the urn that contains my shades," the novelial laughingly remarked.

Of course one may just care to have the ghosts of one's friends and not particularly those of people celebrated in the art, literary or political worlds, and then it will be a simple matter to fill up one's ghost book, for the making of spots will be found to be quite a novelly at a tea or other social affair, and saken along with the country of the ghost depend largely upon the ink. After the name is written the page is folded together again without blotting and love the country of the ghost depend largely upon the ink. After the name is written the page is folded together again without blotting and love the signatures witten on separate sheets.

It is not necessary to have a book. One can leve the signatures witten on separate sheets shown him difference way? Isn' where it w walking-bea doesn't kn home. Mr

thing and lo, the ghost appears. Try it and see:
It is not necessary to have a book. One can
have the signatures written on separate sheets
of paper and collect them, but care must be
taken to use soft paper that will absorb the lnk
readily. These separate sheets can then be
pasted into a scrap-book, but the little ghost
book itself will be found more convenient. At
the top of a page in the ghost book is a small
another like for the writing of the name after
the ghost is made, so that after all in a ghost
book one gets a genuine autograph as well as
the spook signature.
While several ghost signatures of the same
