Through the kindness of a sister who is a trained nurse, Mrs. Fannie Johnson Weaver has been placed in the Open air tuberculosis hospital in Chicago.

Grand temperance rally at the Baptist church on Sunday evening, August 29. Rev. Pickerton doing the address. Everybody come. Don't forget the date.

The rain, lightning and electric storm Sunday afternoon put 11 farm lines and 19 independent lines out of business. Troubleman Crossman was a busy boy all day Monday repairing the damage.

Learned me tell us that in Latin the word "editor" means something "to eat." In the United States its meaning is altogether different. It means to scratch around like blazes to get something to eat.

George Wilk (Harry) has again landed another good job, and comes here to make. For the new home of Mr. Harry L. Pierson among the Bloomfield Hills. Mr. Cray will at once begin the manufacture of 10,000 cement blocks to be used in the edifice. Good for Wilk.

An advertisement is a merchant values much that some good is to a farmer. It may take a little time for the results to become apparent, but they are sure to come. The wise farmer is not niggardly with his seed, nor is the wise merchant with his advertisement.

The head of Lincoln appears on the new silver dollar, and best of Cleveland will be on the new \$10 certificate, and that of Grant on the \$50 one. We'll get sight of Lincoln now and then, and occasionally may scrape an acquaintance with Cleveland's good bye General Grant and God bless you.

The way the yard sticks rattled, hardware jingled and our merchants and clerks moved around Saturday indicated a lively day for our business men, and the people thronged our thoroughfares were delighted in the bargains they had pocketed, and the general verdict is this is the place to trade.

One of the richest typographical errors that we have ever seen and that in a publication for printers, appears in the July number of the National Printer-Journalist. In describing the Forestry building, the largest log house ever built, the article says: "The dogs used in the exterior of the building are being left in the rough, while those used in the interior will have the bark removed."

Visitors have been and are having a delightful reunion at the home of Wm. Hawthorne in this village. The past week Mr. Hawthorne and the good wife have entertained their sons, Fred W. of Josephine, Pa., Charles of Chicago, and daughter, Mrs. E. Simpson, of Evanston, Ill., and their nephew B. J. Hawthorne and his wife from Josephine, Penna. No better time anywhere.

Charles Kenneth Wilson, fifth child of Mrs. C. G. Wilson, of Royal Oak, died August 11, 1909. He was four years and four months. "The little fellow was sick only a short time, beginning with bowel trouble, and ending with congestion of the brain, and though everything was done, the tender hands and loving hearts could think of, yet, there was no earthly help for him, and on Wednesday eve his Heavenly Father took him from suffering to glory. The funeral was on Friday, at the home, where the services were conducted by the pastor, Rev. R. G. Pinkerton. The Misses Starr and Mr. Halsey sang beautifully, and the body of the baby boy, so dear to a sorrow stricken mother and bereaved parents, was laid away in the Royal Oak cemetery, there to await the glorious resurrection. "As for his man, his days are as grass; as a flower of the field, so he flourished; for the wind, passeth over it, it is gone, and the place thereof shall know it no more, but the mercy of the Lord is from everlasting to everlasting upon them that fear Him, and His righteousness unto children's children."

Men and boys hats - from 50c to \$2.50 at Nixon's.

Mrs. Mina Mills passed her weekly visit with her mother Monday last.

Mr. M. M. Damsion, of Grosse Pointe, Ind., is visiting Mrs. I. N. Baker, of Southfield avenue.

Miss Carrie Wilcox of Ypsilanti, is taking Miss Bertha Kerr's place as clerk in her brother's store for a week.

George Evans while at work in the brick yard Monday last took a header from a scaffold overhead landing head first into the pug-mill. At first all thought that Mr. E.'s days were over. Dr. J. L. Campbell was hastily summoned and after handing a cut of an inch or so long, the highly superstitious worker went back to work again.

A. B. Glaspie, of the Oxford Leader, George Mitchell, of the Birmingham ECENTRIC, and A. B. Bradgon, of the Monroe Commercial, have been appointed as a committee of three by the state fair association to have charge of the arrangements for Editor's Day at the state fair. The committee met last Friday at the Griswold House, Detroit, to start plans for the entertainment of Michigan's scribes.

Bar for the second issue came out this month. Charles E. Beck, our regular village tailor, has sold four suits of clothes to four new customers giving each patron the ECENTRIC one year as a premium for orders taken during the month of August. It is not too late yet to get out on the deal. No matter what price goods you order with every suit or overcoat he gives one paid up year's subscription to this paper. His samples for fall and winter of '09 and '10 were never better priced or cheaper. Now is the time. See him at once.

The other day a merchant in a nearby town saw a farmer receiving goods at the station from a Chicago mail order house, says the Muscatoh, Kas. Record. The goods were in his line and the same had been carried in his store for years. He approached the farmer and said: "I could have sold you every article you have there for less than you paid the Chicago house, and saved you the freight, besides." "Then why don't you sell it to me?" answered the farmer. "I have taken the Muscatoh Record for years, and have never seen a line about your selling these goods. The Chicago house sent advertising matter to me, asking for my trade, and they got it."

'Twas a Glorious Victory.

There's rejoicing in Fedora, Tennessee. A man's life has been saved, and now Dr. King's New Discovery is the talk of the town for curing C. V. Pepper of deadly lung hemorrhages. "I could not work any longer, my wife writes, 'and the doctors did me no good, but after using Dr. King's New Discovery three weeks I feel like a new man, and can do good work again.' For weak, sore or diseased lungs, coughs and colds, hemorrhages, hay fever, the grippe, asthma, or any bronchial affection it stands unrivalled. Price 25c. Sold by all druggists. Prepared and guaranteed by James W. Cook, Charles J. Shain and J. W. Wooster."

BREAD

A Good Square Loaf

Of bread is what we give you for your money. By "square" we do not refer to the shape, but to the quality and size of the loaf.

The Size of the Loaf

You can see at a glance. The quality will be apparent as soon as you begin to eat. Some of the very finest bakers in town have given up better baking, and are using our bread. Why?

PAIN

Pain in the head - pain anywhere, has its cause. Pain is congestion, pain is blood pressure - causing the same result. At last, says Dr. Shoop, and prove it he has created a little pink tablet. This tablet - called Dr. Shoop's Headache Tablets - causes blood pressure away from pain centers. Its effect is clearing the blood. Dr. Shoop's Headache Tablets surely equalizes the blood circulation.

If you have a headache, it's blood pressure. It's a painful period with women, some cases. If you are sleepless, restless, nervous, it's a blood circulation problem. That apply to you? It's a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Dr. Shoop's Headache Tablets don't get red, swell, and pain you. Of course it does. It's congestion, blood pressure. You'll find it more pain reliever. It's simply common sense. We sell it in 5c and 25c quantities.

Miss Bertha Kerr, one of Birmingham's most popular lady clerks, is away for a week's recreation in eastern Canada.

Mrs. C. J. Salver and daughter, of Fort Wayne returned on Monday to their home, after a few days visit with the family of Rev. Salver.

Master Arthur Pain has trained morning glories around an electric light pole and along the guy wires. Each morning they wave a mass of bright colors. It will pay you to go down and see them.

The happiest country home in Bloomfield Hills is the pretty establishment of Mr. and Mrs. J. H. Wendell's "Larkspur" just outside of the corporation limits. What Mr. Wendell is doing is the whole responsibility on Mrs. W.'s shoulders, there is none of the family enjoys the simple life more than Mr. W. who arrives with the very first head and has to be dragged back to city life, the very last one in the fall.

Alfred E. Gorton, lately returned home to the U. S. after 12 years of busy financial life in the island of Porto Rico, being employed in the auditors office there and later as receiving teller in the Colonial bank of San Juan, P. R., had a day visit on and about Detroit, Mr. Gorton's old home. Mr. Gorton, for one whole day, in company with my Mitchell Editor visited Belle Isle, Waterworks Park, The Princess saw the ball game and in the evening, - what?

Down on Brown street a young man calling on a young lady discovered that the street light shown directly in and upon the porch, with a search-light brightness, so he gallantly went forth and doused the glim. Ye Village Marshal Chas. E. Smith, witnessed the act and shortly after the accommodating young man aforesaid cheerfully contributed two big round dollars to the village's general expense fund. For his first, last and only "blow-out." It certainly was a dear blow.

The new building being erected by Whitehead & Mitchell on Pierce street is for the express use of the telephone office and the ECENTRIC office. This paper will occupy the entire first floor. The telephone office, which has been leased to the Michigan State Telephone Co., for 10 years, will occupy the upper floor and nearly all of it. The company's architect is employed in making plans for the use which when built will be the most complete office for its use in the state of Michigan.

The funeral of the late Dr. T. M. Shanfelt will be held at the Baptist church, on Friday afternoon, Aug. 20th, at three o'clock. Rev. C. A. Salver, assistant pastor, Rev. Conley, Matthews and others will conduct the exercises. Rev. Shanfelt has been living in part of Mrs. Fuller's home, on Pierce street for nearly a year. He was 69 years of age, and his death was caused by apoplexy. For 40 years he has been in the Baptist ministry, and for 20 years was superintendent of Mission work for North and South Dakota.

A recent act of Congress recently passed by that astute and brainy collection of men from all over the United States says that no publisher of any newspaper in this great domain will be allowed to send his paper to patrons who are past due two years and over. We have the best paid up list of subscribers of any paper in Michigan but there are a few - a very few who exceed the limit. We are sending out statements to those few subscribers and expect to be able to conform with the new law in at least two weeks. Hurry, Rap, Kup!
