We copy the following from the Warren Watchman. "He who has something to sell and goes and hollers it down a well, will never be able to collar the dollars as he who climbs a tree and hollers." We do not know whether this is original with editor of the Watchman or not but we do know that it is right to the point. It pays to holler. Betsy it through the columns of the TRIBUNE.

The pan cake social held at the town hall last Wednesday night was a great success both socially and financially. A neat little sum was realized for the piano fund. We think that the committee in charge of this work deserve much credit. They have labored long and faithfully to pay for the piano in the M. E. church and now the end is in sight. Give them your support whenever they give you an opportunity.

The report is current that the Baptist church people desire to dispose of their old church building in the north end of the village and if they succeed will purchase some property in the south part of the village and erect a more suitable house of worship. Seems to us it would be a good plan, as there is none to much room in our school, that the school board purchase the Baptist church and make a school out of it and the scholars in the north end would not have so far to go to school.

# CONGREGATIONAL

## Association Held Ordination Services in the Congregational Church Tuesday, October 23

The autumnal meeting of the Detroit Congregational association was held in Royal Oak Tuesday, Oct. 23. A large number of the clergy and delegates were present from all over the state. The following subjects were taken up and discussed.

"The relation of the village church to the community" Rev. Luther E. Brown and Rev. Charles W. Jones "The Man Problem" Mr. Frelink, Mr. Sheffield and Mr. Charles W. Hitchcock "Ecclesians from the national gathering at Boston" Rev. J. Pennington, Rev. Wm. Warren and others "Magnifying the forces of the church for effective service" Rev. J. C. Townsend and Rev. Wm. Rippee Kedzie.

At 4:40 p. m. the business of the meeting was carried out. The ordination sermon which was preached by Rev. Payson Forbush, pastor of the North Woodward church, took place at 7 p. m., after which Rev. St. John, pastor of the Congregational church was ordained. Rev. St. John came here about six years ago and assumed the pastorate of this church which at that time was in very poor shape, services being held there only occasionally. Since the Dr. came here he has not only ministered to the spiritual wants of the people but has also looked after the physical wants. The church is now in good condition, has been overhauled and placed in excellent shape, all of which has been accomplished through the efforts of the good Dr. and his estimable wife. It is our wish that the church will continue to grow and prosper and that long life and good health may be vanted out to Dr. and Mrs. St. John.

Dinner and supper were served at the town hall and taken all in all was an occasion long to be remembered.
