On Saturday evening last, a poultry house in the northwest corner of our town was visited by well known chicken thieves. They have been prowling about the same premises on several occasions before, evidently thinking themselves undiscovered, but the owner has been asleep for the fact, and on Saturday night responded with a volley of shots just as the thieves were in the act of walking off with their Sunday dinner. Needless to say that they dropped the chickens and hastily departed. Next time—well, we won't say just what will happen, but there is something besides chicken awaiting them, and they come again they get it too.

The entertainment given by the Young People's church of the First Presbyterian church last week at the church was a success in every particular. ### Use Snowflake Flour

Why should you use it? Because it is made by your home mill. Made from selected hard, red wheat, by an expert miller, with the latest improved machinery; and every sack is warranted to make as much and as good goods as can be made from any flour made in the United States.

And more important to you is because you can buy it for less money than any high-grade flour now on sale in your town.

Try a sack, and if you are not fully satisfied with results you can return the balance to seller, and your money will be cheerfully refunded.

A visit to the old so called "Snow" farm, a few days ago found everything in "A1" shape, with Norman, a fine black and white cow, looks like hogs fattening fast, and C. J. It says: "The small body of water adjacent to Fordney Avenue, on the west and south of 'Grand Canal', is to be called 'Still Bay' and Hiram Still, a member of the lumbering firm, at one time in possession of the adjacent property." The donor also adds that the name is singularly appropriate to the place.

Birmingham High school was a football game from Wayne High school team by a score of 5 to 0. This game was a fine demonstration of new football and clean throughout. Wayne was heavier than our boys, but Birmingham made up the difference in speed. Our boys won the kick, and in five of five minutes scored the only touchdown of the game. Schlaack failed to kick the goal. Score: Birmingham, 5; Wayne, 0. Wayne got one within kicking distance of Birmingham, but kicked, but our boys lightened, held and punted out of danger. "These boys particularly starrer; Ferguson, Martin, Parsy, Burdrow and Parks. Wayne's fullback and left end were a little out of step. The teams were pretty evenly matched and it was a fine game to watch. This team has won all games against out of town teams which is a record to be proud of. Tomorrow, Saturday, the team goes to Oxford and this game promises to be the hardest game of the season. We must win this game, and we need a lot of live roots along. Come over with us and root for your home team.
