

Selling & May Clothes Measure up to the Price

Today in dealing in clothing for men the great question is whether the clothing measures up to the price.

In Selling & May Clothing the fit, the style, the wear, all come before the price. There is no uncertainty about any of them; we guarantee that they measure up above the price.

And whatever you pay for a Selling & May Suit or Overcoat it is less than you would have to pay elsewhere for equal fabric and workmanship.

The clothing for which the present season calls is to be found here in perfection of fashion and in the most pleasing variety.

It has been prepared with a view to thoroughly satisfying every man who reads this advertisement.

A MOVING PICTURE OP

ALL THE FANS WERE THERE

Seizing Opportunity.
At the very last minute an investigation of the friar lands in the Philippines was ordered by the house. It was found that the house could not adjourn unless unanimous consent were given—there being no actual quorum—and Representative Martin promptly put on the screws and demanded this investigation be authorized. Rather than swallow a few more days the house voted the investigation. While this does not indicate any absorbing eagerness on the part of the Republican leaders to have the charges of fraud and improper conduct investigated, it does prove that one must be alert to seize the golden moments as they fly.

Civility Always Pleading.
Civility is the esquire of the poor. If we have nothing else to give we can give that.

R. D. NO. 1

Less Pritchett is putting up a hog-house.

Tom Beddow is working night and day for potatoes.

Mr. and Mrs. Elmer Rose were in Detroit last Saturday.

The Fairview farm boys are just a hustling out the potatoes.

James Edgar will resume work on his well as the fall work is about done.

Our friend G. F. Hansen is gaining right along and will soon be out again.

John M. Beddow just sold 13 ponies for \$2,000. Who said 13 was unlucky?

J. M. Beddow has bought 16 Shetland ponies. They arrived last Thursday.

W. J. McClure on the Beddow farm, is just hustling his farm work right along.

Last Monday J. Mil. Henning sold 6 nice fat hogs; this means a nice bunch money.

H. A. Martin is rounding up his fall work on the Will Ellwood farm for the winter.

John Sharp has got his new barn about finished. It is a dandy and an up to date barn.

Born to Mrs. Daniel Hughes, a baby girl, Dr. Holcomb was on hand, and everybody happy.

E. G. Tucker is the turnip man of Southfield. He rates them as big as your headgear as solid as a rock.

Tom Dickinson will fix up the north end of the Parson-Simonson road with gravel. Good thing! Spread it on.

B. D. No. 3 took a trip to Milford, one day last week to fish, they would not bite but No. 3 had a real good time.

Charles Martin on the Baldwin farm has just put in two car loads each of hay and straw to help out on the milk.

F. M. Spicer is hustling the potato crop. He had good help. The Misses Purdy and his good wife. Everything went.

Uncle Joseph Croft is getting just as spry as a boy 16 years old boy, and we are all glad of it. Let the improvement go on.

Halsey L. Stephens is hustling his new house at the Burg, and will crawl into it the last of this week or the first of next.

Here is a good scheme! Frank H. Hamlet is putting up small sheds for his cattle in different fields. They are portable.

Mr. Frank Turner of Detroit, has bought the little home of C. I. Johnson, east of the Burg, on the East side of the road.

Aaron Ross returned to his Ionia home with baggage, and will look up a farm for the coming year. Good luck go with him.

John N. Heth went down to the farm one day recently, and in 24 hours dug 45 bushels of potatoes. How's that for a sick man? A big crop of potatoes for this farm this year.

Now, LaVerne Blumberg believes in making improvements on the old farm; up goes a new cement-block hog-house 24x32, a jim-dandy, and LaVerne is the Boss with a big B.

The Willing Workers will hold their annual supper at the Town Hall, on Friday evening, Nov. 13th. They will not have a Bazaar as before, but will serve a good supper. A charge of 25c, and 10c, will be made. All are most cordially invited.

Last week Thursday J. J. Haack and Robert J. Hanna were out hunting for a regular four-legged deer. They were out by just about 15 minutes. What is the use of going North to hunt them, when they are running around loose in Southfield?

\$100 Reward, \$100.
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure cures internally, sending directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100 for any case that it fails to cure. Send for list of testimonials. Address
F. J. CHENEY & CO., Toledo, Ohio.
Sold by all druggists. Take Hall's Family Pills for constipation.
