other churches of the town and it is expected that this will be a union service:

Among 'the patents reported from Washington last week was one issued to George Baker, for an astronomical apparatus. Fellow townsmen of the great inventor, whoever he may be, appliance that brings fame thus early to our future metropolis.

Our neighbor, Martin Blunt, said in addressing a recent meeting in Troy that he owned 40 acres adjoining each other, one in Oakland and the other in Macomb county. His taxes for the past year in Macomb, which is a wet county, he said, were larger than were those in Oakland, For that and other reasons he was similarly and the collection of the county that and other reasons he was urging local option.

Master Ferris Gardner wishes to announce found one day last week, found one day last week, found one day last week, where in this village somebody's where in this village somebody's hiller of the foundation of the foundat to announce that his dog Dick found one day last week, some-In fact it has not yet to definite form, so it is not possible to describe it, only to say that it is a strip about a half yard long and four inches wide and when found it was rolled up and had attached to it, a ball of and two krifting needles. The owner may have the same p by calling for it.

One of the most patient sufferers in Royal Oak; as well as one of the most patient sufferers in Ro

of the best fellows, is Dr. Bob. Kennedy, who lives on Main street. Brought into the village on a stretcher a year ago, he has

hal a large practice in Detroit and was the first superintendent of the state tuberculosis hospital. He is a brother of Dr. J. B. Kenendy, of Detroit, president of the state board of health.

Avon township scores Royal Oak township for refusing to cooperate in the good roads move-ment. Avon has no cause to get sassy. But for a fact, we can-not afford to have our stretch of Woodward avenue, the only unimproved stretch between Detroit and Pontiac. Our reputa-tion is worth something to us, and we must keep that front yard of the village as clean as

Meets Every Two Weeks On Monday Afternoon

The Royal Oak's Woman's club met
Feb. S at the home of Mrs. Bailey.
This meeting was a surprise on Mrs.
Bailey who, accompanied by hee busbailey who accompanied by hee bustravel in the west.
The program which had been arrangel for Feb. 14, was given at this time
with some additional features. Miss
willetts gave a very plexing instrumeatis solo and Mrs. Eleding a vocal
aloo which was greatly enjoyed.
After the program, refreshments,
consisting of anadyleches, pickles, cake
and coffee were served.
On Monday évening, Feb. 14, the
club held their/midwinter social at the
lown of Mrs. J. M. Lawson. This was
an open myeting and the ladies enter-

home of Mrs. J. M. Lawson. This was an open meeting and the ladies enter-tained their husbands. The entertainment committee had arranged a most excellent program consisting wholly of musical numbers and every number delighted the com-native. pany.
The Misses Lawson and Davis and

## The Wonderful Overland

Investing the amount one does in a Motor Case should make sure that he gets the best hosslib his money. There are many other cars selling about \$1,000 among which there is not buckles, but the Overland at \$1,000 far butclasse or all

at about \$1,000. among writen times in the choice, but the Overland at \$1,000 far outclasses them all.

While the Overland Co, is fluiding 20,000 care this year, it does not claim that it is the cart to bly simply because it is shidling so many, but because of the merits of the cak itself. It has more horse-power, has a longer wheel base, it adjuster vunning, is easier riding, has more speed, he more diassy in appearance, has more expensive and better inotose, is repaired more cheaply than any other car know of for anywhere near rid price.

This price also includes the magnetto, which comes extra in most cara, compare their specifications point by point with those of the wonderful out all about the other cara, compare their specifications point by point with those of the wonderful overland with its 25-fires power 102-inch wheel base, four 32x36 cylinders castaingly, 22 man wheels, etc. Also fully entitiped with five amps, ster. I am very sure if you look into the marter thoroughly that you of decide on an Overland, especially and the standard of the contract of the price of the priore and the same price?

Step to the priore and that a minute speed at the same price?
