AN APPEAL TO LOGIC.

Burlington Railway yards in a Missous town one morning in May. The 'thing' was hacked and jagged and bloody be youl language to describe.

"Drunk and laid down on the track last night."

or nve deaths of the sort had occurred in the railway yards the past 12 months, and in every instance the whisky bottle had been unharmed, while the man who carried it was ground to pieces. It might have been the mute lesson of

It might have been the mute lesson or Providence.

When a man gets drunk he will hun the railway track. This man was only 35. He bad a wife and several small children in the mining town of New Cardiff, and they were left pemiliesa. They had done no wrong, but they were the sufferers.

"The man was drunk; there's no liability." said the railroad attorney, as he turned away. The Prosecuting Attorney advised the Cornen not to put the county to the expense of an inquest. If it is to clear a case," he said, "the 'It's too clear a case," he said, "the

'(it's too clear a case,' he said, "the man was drinking. There's nobody but himself to blame, and the County Board would object to a bill for taking avidance."

The crowd turned away. The show was over. An undertaker picked up the burch of clothes and bones and blood and put them into a cheap box. The railroad furnished free transporta-The railroad furnished free transporta-tion to the destination. Next day the little tragedy was completed, and the widow and her children walked sor-rowfully away from the hilliside ceme-tery where the bread-winner lay. In the morning the woman consulted a lawyer. He listened sympathetically, but not benefully.

of his money with you."

ace, she's driven to this source of re-dress. Legally she can't collect a cent from you. But that man's blood-"
"That's enough," said the merchant; "here's \$25."
Some got mad at the parson for "butting in," but the majority saw the logic of ohe argument and paid what he saked. It was the first time the issue had been squarely before their eyes; and, since they were good men for the most part, it was star-tling realization. The "chickens had come home to roost," and they didn't look good.

The preacher wasn't rough or per-
