

Interesting Lecture on "The World Movement" Delivered at the University of Berlin by the Ex-President of the United States

Berlin. — The President Theodore Roosevelt... an audience that tested the capacity of the aula at the University of Berlin...

Beginning with an eloquent eulogy of the German race and its achievements, the lecturer soon reached the main theme of his discourse, and reviewed the civilization of the world...

Instead of being directed by one or two eminent peoples, as was the case with all similar movements, was shared by many different nations...

Conquest of the World

In the first place, representatives of the race were enabled to spread into the vacantly vacant continents, which at the same time, by their triumph in organization and mechanical invention...

One Danger of Civilization

One of the greatest dangers of civilization has always been the tendency to cause the fighting virtues of the race to be lost...

Modern Citizens' Armies

Now, with the progress of modern times, the citizen army has become a thing of the past...

All the Nations Linked

Flowing or hopeful, every man of leadership must look beyond the frontiers of his own country...

Volumes of Great Value

The Largest, the Smallest and the Most Expensive Book Ever Published... The largest book ever made was owned by Queen Victoria...

CRIMSBY'S PIPE

ENTIRE OFFICE FORCE SMOKES WITH THAT GENTLEMAN.

Mr. Philmattack Explains Method by Which Living Expenses Have Been Materially Reduced Without Losing Enjoyment of Tobacco.

Another striking contrast in the course of modern civilization as compared with the habits of the primitive man...

But now see how even such a pipe as this may be turned into a benefit, a boon...

You can't very well, for instance, shorten the clothes of growing children...

Horace. — I guess you'll have to cut out the tobacco.

I don't mind saying that it was a good thing and I went to the office next morning feeling better than usual...

It is with in the town that modern democracy has its origin...
