WOMAN'S PRESS

The Michigan Woman's Press Association Held a Very Interesting Meeting at Harbor Beach.

The Michigan Woman's Press Association held a very interesting meeting at Harbor Beach last week...

Among the many good things said were the following:

If you have a good thing don't keep it in the ginger jar on the high shelf.

One great charge against the newspaper, "it does not give news."

Facts in regard to sanitation should be kept before the public.

A child should be trained in some civic work.

Club women should urge the grocers to cover fruits. The deadly fly is around.

A woman published the first paper during the Revolutionary war.

The voice of the editor is a voice crying in the wilderness.

The editor should serve the best and not the lowest.

If the editor may not refuse liquor ads he may thru editorial work make the tone of the paper such that class of advertisers will not ask.

When your paper says a good thing let the editor know you like it.

Will Make His Farewell Appearance of Buffalo Bill's Wild West in Detroit July 13, 1910

Considerable interest has been aroused in this vicinity through the announced appearance of Buffalo Bill's Wild West and Pawnee Bill's Far East at Ypsilanti July 12, Detroit July 13.

Col. Wm. F. Cody, the original and only "Buffalo Bill," travels with the exhibition and positively appears at every performance, rain or shine...

Arrangements have been made with the railroad officials to run excursions at special rates from the various stations along the line...

To the small boy and grown up "Buffalo Bill" will be the chief attraction, for his fame is not dimmed by the years which have elapsed since he helped write the story of the west through his heroic deeds.
