While Family Was Away Burglars Entered the Home of J. M. Lawson's in Royal Oak

The residence of J. M. Lawson was entered by burglars last Saturday evening during the absence of the family. Jewelry and other valuables to the amount of \$75 was taken.

The robbery took place shortly after 8 o'clock in the evening. Mr. Lawson was at the store and the children, with the exception of a young son who was asleep on the sofa, were at a show near by.

Mrs. Lawson locked up the house and went up town for a short time, in the meantime Mr. Lawson came from the store and finding the front door locked, rapped on it and just then a man came from a bedroom and made his exit through a rear door. Mr. Lawson got a good view of the man and thinks he would be able to identify him should he see him again.

There was undoubtedly another party watching outside. Deputy Sheriff Lawless was early upon the scene and notified the sheriff at Pontiac, who came down to investigate. The thief gained an entrance by cutting the screen in the door and reaching through unhooked it. The officers are putting forth every effort to run down the thieves.

BLUE RIBBON STRUCK IT RICH

Trotting and Pacing Meeting to Be Held on the State Fair Track the First Week of August.

That the racing at the Blue Ribbon meeting in Detroit during the week of August 1 will be the best the Detroit Driving Club ever has been able to give to the people is assured by the splendid entry list. Every class filled, and in many instances the fields are much the largest in history. This fact in connection with the speed shown at Terre Haute, Grand Rapids and other meetings, makes it certain that races will be to the swift and that a number of records are likely to fall.

Opening on August 1 the Blue Ribbon has three features for the first day. The Horsemans' favorites for three-year-olds are worth \$15,000 and have assembled a wonderful lot of baby trotters and pacers. The 2:11 trotting stake with its splendid lot of developed race horses also is on the inaugural day.

About 20 horses are eligible to the Chamber of Commerce pacing stake on August 2, and it should be the greatest renewal of this classic. Two-year-olds will race on the same afternoon, 25 of them being in the futurity for their age.

The famous Merchants' & Manufacturers' stake is to be decided on Wednesday, August 3, and fully a dozen great green trotters will score for the word. "Pop" Geers, who was injured at Grand Rapids, has now far recovered that he will drive both this event and the Chamber of Commerce.

The free-for-all trot on Friday morning attracted the fastest horses in training. There was a wonderful race, afternoon, and upwards of 300 entries have been received for the five days, so the 26th annual Blue Ribbon meeting promises to be the greatest carnival of speed of the year.

The Union Meets the First Thursday and the Third Tuesday of Each Month.

The Woman's Christian Temperance Union gave an open air meeting on the lawn of Mrs. W. I. Deer Thursday July 21. President Mrs. Arthur in the chair.

The meeting opened with singing, "Onward Temperance Soldiers" prayer and roll call. After a brief business session the following program was given.

Singing of selections from the temperance song book. Prayer by Mrs. Whitney. Address of welcome was given by Rev. R. G. Pinkerton, response by Mrs. Fox, of Rochester. Piano solo by Miss Evelyn Deer.

Address by Attorney P. Marsh, of Detroit, who proved to be an interesting and helpful speaker. He said that there never was a time when temperance workers were so united in effort as at the present. The solemn plea have money but we have God and right on our side and we are laboring not for money but for humanity. Some battles will be lost, other won; as was proven when he showed us the map of lower Michigan, all dark except Van Buren county in 1907, it has grown white each year and now in 1910 we have 40 white counties, and what has we in wet counties? The modern saloon and they claim there are so few of them, they are so rushed they do not have time to obey the law.

At the close of the half hour address Miss Eva McClellan gave a reading from "Black Rock" followed by solos by Mrs. Harry Salzer.

The district president, Mrs. Carley, the county president, Mrs. Lawson, gave instruction and encouragement in the work.

Invitations were given by Mrs. Fox to the open air meeting in Rochester August 17 and by Mrs. Lawson to their in Royal Oak August 25. The program closed with the benediction by Rev. C. H. Whitney. Refreshments were served to 80 people. A social time was enjoyed by all.
