BIRMINGHAM, OAKLAND COUNTY, MICHIGAN, FRIDAY, JULY 8, 1910.

WHOLE NUMBER, 1681.

## BOYER-CAMPBELL

Miss Zilpha Campbell, Only Daughter of Justice and Mrs. Campbell, Was Married June 29

A pretty home wedding was solemnized at 8 o'clock Wednesday evening, June 29, at the home of Justice and Mrs. A. W. Campbell, of Birmingham, when their only daughter, Miss Zilpha, was married to C. L. Boyer, of Chicago. Dr. Jamieson, pastor of the First Presbyterian church, officiated. The bridal couple were unattended and stood before a bank of palms and ferns. Miss Ruby Jamieson played the Lohengrin wedding march and little Miss Florence Mann, of Mt. Clemens, was ring bearer. The bride was gowned in white silk poplin over white silk. Following the ceremony and a short reception hour, refreshments were served and Mr. and Mrs. Boyer left for a trip to the Muskoka Lakes in Canada. They will be at home shortly at 111 Woodward avenue, Detroit, where they have taken furnished apartments for three months.

Mr. Boyer represents the Alyn Baron Publishing company and will be located in Detroit. The bride is a graduate of our high school and will be of U. M. Until this year she has taught in the high schools at Birmingham, Rochester and Adrian. Guests were in attendance from Detroit, Alpena, Mt. Clemens, Rochester and Royal Oak.

### Those Pies of Boyhood.

How delicious were the pies of boyhood. No pie now ever tastes good. What's changed? The pie? No! It's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you lose the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—stomach, liver, kidneys, bowels. They'll restore your boyhood appetite and appreciation of food, and fairly guarantee your body with health, strength and vigor. 50c at C. J. Shan's and Cobb-Stanley-Harris Co.'s.

### "Foley's Kidney Pills Have Cured Me."

The above is a quotation from a letter written by H. M. Wink, Evans, Ind., Indiana. "I contracted a severe case of kidney trouble. My back gave out and I lost all my strength and ambition; I was bothered with dizzy spells, my head would swim and spots before my eyes. I took Foley's Kidney Pills regularly and am now perfectly well and feel like a new man. Foley's Kidney Pills have cured me." Sold by all druggists.

### NOTICE TO TAY PAYERS.

MR. ECCENTRIC: You are supposed to be in touch and know everything that is going on now, therefore, we want to know what all these whisperings on our streets mean regarding our school matters and the many new points to come before the annual meeting, at the school house, Monday evening, July 12th.

We also would like to see published a financial statement required by law to be published in a newspaper in the town if there is one, under a penalty for not obeying this law. Also we would like to see a statement of the total number of school children as per school census. What we want in fact is a history of our expensive school, the number of teachers, salaries, etc.

It is quietly whispered that we have 13 teachers; is that true? Will you publish a diagnosis of the school for the benefit of Tax Payers?

Truly yours,  
COMMITTEES OF FIVE.

## BIRMINGHAM THE BEAUT

Birmingham Pupils are Wise to the Home Qualifications of This Loveliest Village of the Plain.

Recently the pupils in the schools were asked to use for language work, the following questions:

Name the most beautiful tree in town, wison, and by whom planted?

Name the most beautiful tree in town, trees, the most beautiful street, piece of wood, public building, and private building.

How can our village be made more beautiful?

Widened help?

The answers were very neatly written, and were a credit to the teacher who gave them out, as well as to the pupils who gave ready answer.

Many gave as the most beautiful tree, the stately elm, on the corner of Townsend and Henrietta, planted by Mr. Olin. A catalpa tree on Ann St. and a maple tree on Pierce St., back of Mr. Purdy's home were also mentioned.

For the most beautiful row of trees, Maple avenue was in a great majority, although Woodward Ave. had its admirers.

The woods opposite the power house, was voted the most beautiful.

Mr. Stearns' home was chosen as the most beautiful private building.

St. James' Episcopal church building won the votes for being the finest and handsomest public building in dear old Birmingham.

Many good suggestions were made for the improvement of our town, and best of all each pupil promised to help.

Foley's Kidney Remedy will cure any case of kidney trouble not beyond the reach of medicine. No medicine can do more. Sold by all druggists.

### BOYS WERE NOT PAMPED

Spartan Simplicity the Keynote of Life in English Schools a Century Ago.

Coleridge's record of the meals at Christ's hospital in his school days gives a detailed picture of what was once thought good enough for growing boys: "Our diet was very scanty. Every morning a bit of dry bread, and some bad small beer. Every evening a large piece of bread and cheese or butter, whichever we liked. For dinner—on Sundays, boiled beef and broth; Monday, bread and butter, and milk and water; Tuesday, roast mutton; Wednesday, bread and butter, and rice milk; Thursday, boiled beef and broth; Friday, boiled mutton and broth; Saturday, bread and butter, and peas porridge. Our food was portioned, and excepting on Wednesdays I never had a bellyful. Our appetites were damped, never satisfied, and we had no vegetables."

The hardships of life at Eton in the old days were aggravated by bullying which in the words of one of the victims, sometimes amounted to "a reign of terrorism." Provost Oke's of King's college, Cambridge, contributed the following story:

"In July, 1828, contemplating matrimony, I went to the University Life Insurance society for a policy. I went before the board—some sixteen or seventeen. 'You are a fellow of King's, I see, Mr. Oke, from your papers.' 'Yes, sir.' 'I infer, then, necessarily that you were at Eton and in college?' 'Yes, sir.' 'How long were you in college?' 'Eight years.' 'Where did you sleep?' 'In Long Chamber, sir.' 'All the time?' 'Yes, sir.' 'We needn't ask Mr. Oke any more questions.' And they did not."

It meant, as the Provost said, "if you passed eight years in Long Chamber and are alive at 25, you are a fairly safe life."—London Daily Chronicle.
