

THE NEW YORK TIMES

WEEK'S NEWS

Most Important Happenings Told in Brief.

PERSONAL.

Eugene P. Prentiss, chairman of the Republican state committee in New York, has resigned to devote his time to his private law practice.

Women voters from the states of Washington, Idaho, Wyoming, Utah and Colorado met in Tacoma at a convention called by Governor Brady of Idaho.

President Harry A. Garfield of Williams College, accompanied by Mrs. Garfield, has left on a southern and western trip. His visit will last at least twenty southern and western states.

How To Wang, the first Chinese American diplomat ever seen in New York, is there on his way from Tokyo to Tokyo. He will visit several western states.

The old Brooklyn home of Dr. Frederick A. Cook has been sold to a New York real estate speculator and will shortly be torn down to make room for a modern apartment house.

The Imperial Order of Daughters of the Empire in the United States, of which Mrs. James Bryce, wife of the British ambassador in London, is president, has allowed armed bands of men to march in the streets of a home for aged British men and women in this country.

Though the bill has been kept secret, it is learned on the highest authority that the czar of Russia is again dangerously ill, according to the latest reports from the account.

Charles J. Hughes, junior United States senator from Colorado, died at his home in Denver, after a long illness. Death was due to a general breakdown.

Benjamin H. Cramp, a former member of the Cramp shipping family, died at a hospital in Philadelphia of gas poisoning. Relatives say he was found in the bathroom of his residence with the gas turned on.

GENERAL NEWS.

It having been reported to the state department that President Cabrera of Guatemala had ordered his army to cross the frontier into Honduras to help destroy the government of President Davila, Secretary Knox telegraphed the United States minister at Guatemala City that Guatemala must observe the agreement which provides against the aiding of one republic by another from another republic.

Emphatic endorsement of Capt. Robert E. Peary as the discoverer of the north pole was voted by President Taft at a speech at the annual banquet of the National Geographic society at Washington.

Mrs. John J. Rankin offered her \$10,000 to have a pill given to her mother-in-law, the widow of the late Senator John J. Rankin, who had been suffering from a long illness.

Constitutional J. Erdman, author of the anti-trust law, was called into play during several important strikes in the past ten years, died at his home at Allentown, Pa.

Scandal has cast its shadow over the navy. It has come with the retired admiral, Admiral William D. Barry, commander-in-chief of the Pacific fleet, and the knowledge that his abrupt decision to yield his command was predicated upon the demand of his subordinate officers. The demand was made upon Barry after an exposure of his conduct aboard his flagship, the West Virginia.

Fifty marked men stormed the county jail at Shelbyville, Ky., and released and freed two persons, two of whom were charged with the murder of a woman, and the third was under suspicion to hang for the murder of a negro woman, and was being held awaiting his day of execution, to be hanged.

A boy was killed and four persons were injured, two of whom were seriously, when a bobbed up when the party was coasting struck a moving motor car on a street crossing in Kansas City.

The garment workers' strike is practically ended. An agreement was reached between the Hart, Schaffner & Marx clothing company and the union committee, which ends the long struggle for 10,000 of the strikers, returning to their positions with the firm.

Three daughters of Peter B. Boser, aged one, four and six years, were turned to death, the bodies of the girls were found in a shallow pond near the Boser home, at Jersey City.

Six railroad laborers were killed and another was probably fatally injured by the premature explosion of a blast on the Grand Trunk Pacific right of way at Prince Rupert, B. C.

The hospitals of New York City are overcrowded with pneumonia and grip patients. The city health department has launched a campaign to prevent the spread of the disease.

Frank Gatch, chairman of the New York state board of health, has announced that the state board of health has decided to close the state board of health.

A fire which will probably cost \$100,000 in the value of property destroyed, damaged totally destroyed the Chamber of Commerce building in New York.

THE SENATE REFUSES TO CONFIRM ALL GOVERNOR'S NOMINATIONS EXCEPT ONE.

THE LOCAL OPTION LAW COMES UP FOR SOME CHANGES IF MR. MARSH SUGGESTS.

Views of Men and Things in and About the State Capital That Are Interesting.

(Special Correspondence.)

Gov. Osborn met his first defeat in the action of the senate in turning down every one but one of his appointments. This action, and confirming the appointments of the old and re-nominated administration.

Although passenger-traffic across the Pacific from American and Canadian ports has been dropping for some time, the shipping companies are planning to build larger, faster and better ships for the service.

Rembrandt's most famous picture, "The Night Watch," was badly damaged by a discharged naval cook named Sigrist, who entered the Rijks Museum at Rotterdam and with a knife deliberately slashed the masterpiece.

Railroad communication throughout the republic of Portugal is practically paralyzed as a result of a strike of employees. Portugal is cut off by land from the rest of Europe.

"That the United States army may have the nucleus of a force of aviators, Glenn Curtiss has offered to instruct a number of officers in the operation of aeroplanes. The war department has accepted the offer.

Although passenger-traffic across the Pacific from American and Canadian ports has been dropping for some time, the shipping companies are planning to build larger, faster and better ships for the service.

Arrested as the claimed her trunk at New York Central station at Rochester, N. Y., Mrs. Edith Meier, a widow of Schenectady, who says she is 28 years old, confessed, according to the official report, to have been in Albany on January 6 she gave her 5-year-old son George Carlin, aged 12, the effects of which he took.

The Fond du Lac (Wisc.) Cheese and Butter company, capitalised for \$100,000, has been organized. The liabilities of the company total \$107,570, while the assets are \$114,917.

While the United States senate is about to give the Central American Republics direct vote of the people became evident when the advocates of the plan won on a test vote of 43 to 17, the majority of the senate.

President Taft, in an address at the banquet of the National Trust Commission association at Washington, opened his address by referring to the bill, characterizing it "as a conciliatory measure embodying all the important features that are necessary to make the bill a success."

The gift of \$2,000,000 to the "Mother's Church of Christ, Scientist, deacon of the will of the late J. B. Baker Eddy, may be null and void, and the estate may go to her sons.

The residuary clause in the will of the late J. B. Baker Eddy, which was the subject of a suit filed in the United States Supreme Court, was confirmed by the court.

In an address before the annual meeting of the National Civic Federation at New York City, Samuel Insull, president of the Chicago Edison company, attacked the trusts as a "monstrous sham."

Another serious battle between the Mexican revolutionists and the federal forces has been fought just fifteen days after the revolutionists were estimated to have been more than forty, according to advice received at San Antonio, Tex.

John J. McNeil, a young cooper, is dead in a Brooklyn hospital because he was suddenly deprived of cigarettes for two days after he had been addicted to their use for seven years.

The recent defections from Wellesley college of half of the young women students there are deficient in spelling has aroused a sympathetic response from the faculty of Wellesley college.

Prof. J. S. Hunter of the University of Chicago, who has been the champion of the grasshopper problem is to die the alfalfa fields in the spring, just after the frost has left the ground.

UP. HAS IDEAL SOIL. Are You Weak, All Run Down?

None Better for Fruit Growing, Says U. S. Geologist Leverett.

United States Geologist Frank Leverett is in Lansing, conferring with the Michigan state geologist, in regard to the publication of the surface and subsurface map of the upper peninsula of Michigan.

ADMIRAL, SHUNNED BY HIS ASSOCIATES, QUILTS PACIFIC FLEET UNHONORED.

CHARGED WITH VILENESS, LOWERS HIS FLAG WITHOUT SALUTES OR FAREWELL.

The question of court-martial for his Repulsive Offense is Being Considered.

Rear Admiral Edward B. Barry, charged by his officers with being guilty of repulsively immoral conduct, has lowered his flag and left the Pacific fleet without a single one of the customary honors that are paid on such occasions.

Spurred by his own associates, the commander-in-chief has gone into retirement by very close margins, and faces the possibility of naval or civil proceedings that may lay bare one of the worst secrets of the United States service has known.

The flag of Rear Admiral Barry was hoisted on the battleship Albatross from the West Virginia, while Rear Admiral Thomas G. Thompson, as commander-in-chief of the Pacific fleet, was hoisted on the battleship Albatross.

Barry, after the ceremony, went to his cabin. There was no line of officers, as usual, and no departure of the retiring officer over the side, which is usually a disgraceful sight.

Instead the admiral stalked away to his cabin, where he packed his effects and left a note for the admiral, unopened, the ship where he had been supreme.

Officially the flagship while not denying the report that he had forwarded to Washington grave charges against the admiral, also refused to discuss the affair.

SHOOTS AT PREMIER.

Escapes Unhurt, But Minister Nierman Is Hit by Ball in Leg.

In the French chamber of deputies today, a shot was fired by an unknown man, supposed to be an anarchist, at Premier Briand, the Socialist minister of the interior.

Premier Briand was unhurt although he had a narrow escape. The shot was fired by a man who was standing by his side for law and order at the time of the attack.

It is believed that the attack in the chamber is the result of the ill-feeling against the government, which is expected to the strike settlement.

MRS. EDDY'S WILL IS VOID

Lawsays Say \$2,000,000 Gift to Church Is Illegal.

That Mrs. Mary Baker Eddy's residuary gift of \$2,000,000 to the First Church of Christ, Scientist, Boston, is illegal, the United States Supreme Court has decided.

The court's decision is a blow to the church, which has been fighting the case for years. The court found that the gift was in violation of the law.

A statute of New Hampshire prohibiting a bequest to a church was cited by the court. The court found that the gift was in violation of the law.

More than 20 men were killed in a desperate battle between the Mexican federal soldiers and a small party of revolutionaries in the state of Chihuahua, opposite Comstock, Tex.

The insurgents had only 15 men and were defeated. The battle was a result of the Mexican revolution.

Three Negroes Killed by Mob. Fifty masked men early Sunday morning stormed the home of a Negro family in Louisville, Ky., and lynched three Negroes, two of whom were charged with attacking a white woman.

The work of urging legislation for uniform labor laws, which would be a field for arbitration covers more than one state, will occupy the attention of the state legislatures.

A decision holding that private ownership of oyster beds in Louisiana is illegal, was handed down by Judge Fred D. Kuhn, who has assumed the case of the state of Louisiana against the Bayou John Oyster company.

The case of the state of Louisiana against the Bayou John Oyster company, which was decided by the supreme court, will dispose many eastern corporations now working the oyster beds of the Gulf of Mexico.

The United States battleship Michigan, of the Atlantic fleet, which is now at Guantanamo Bay, Cuba, prepared to leave for Norfolk, Va. She will be replaced by the battleship Oregon.

Figures given out at the American consulate in St. John, N. B., show a total of 10,000 immigrants in the previous year, \$1,400,000. The decline is accounted for chiefly by the loss of ships of lumber and kindred products because of the condition of the market during 1910.
